3. Description of Condominium.
- 3.1 Condominium Units. The Land will consist of thirty seven (37) single story buildings containing a total of one hundred five (105) units (collectively referred to herein as the "Units"). Each such Unit is identified by a separate alpha-numerical designation which are more particularly identified on the Plot Plan, Survey and Graphic Description attached hereto as Exhibit 2 including, but not limited to, the Building in which the Units are located. Said Exhibit 2, together with this Declaration, is sufficient in detail to identify the Common Elements and each Unit and their relative locations and dimensions. There shall pass with a Unit as appurtenances thereto: (a) an undivided share in the Common Elements and Common Surplus; (b) the exclusive right to use such portion of the Common Elements as may be provided in this Declaration, including, without limitation, the right to transfer such right to other Units or Unit Owners; (c) an exclusive easement for the use of the airspace occupied by the Unit as it exists at any particular time and as the Unit may lawfully be altered or reconstructed from time to time, provided that an easement in airspace which is vacated shall be terminated automatically; (d) membership in the Association with the full voting rights appurtenant thereto; and (e) other appurtenances as may be provided by this Declaration.

- 3.2 Unit Boundaries. Each Unit(s) shall include that part of the Building containing the Unit that lies within the following boundaries:
- (a) Interior Divisions. Except as provided in this Subsections 3.2, nonstructural interior walls shall be considered a boundary of the Unit.
  - (b) Perimetrical Boundaries. The perimetrical boundaries of the Unit shall be the vertical planes of the unfinished interior surfaces of the walls bounding the Unit extended to their planar intersections with each other and with lower boundaries.
  - (c) Apertures. Where there are apertures in any boundary, including, but not limited to, windows, doors, bay windows and skylights, such boundaries shall be extended to include the windows, doors and other fixtures located in such apertures, including all frameworks, window casings and weather stripping thereof, together with exterior surfaces made of glass or other transparent materials; provided, however, that the exteriors of doors facing Interior Common Element hallways, if any, shall not be included in the boundaries of the Unit and shall therefore be Common Elements. Further, notwithstanding anything to the contrary, the structural components of the Building, and the Ute Safety Systems, regardless of where located, are expressly excluded from the Units and are instead deemed Common Elements.
  - (d) Exceptions. In cases not specifically covered above, and/or in any case of conflict or ambiguity, the survey of the Units set forth as Exhibit "2" hereto shall control in determining the boundaries of a Unit, except that the provisions of Subsection 3.2 above shall control unless specifically depicted and labeled otherwise on such survey.
- 3.3 Limited Common Elements. Each Unit may have, to the extent applicable and subject to the provisions of this Declaration, as Limited Common Elements appurtenant thereto:
- (a) Patios, Balconies, Terraces, Patios and Lanais appurtenant to Units. Any patio, balcony, terrace and/or lanais (and all improvements thereto) as to which direct and exclusive access shall be afforded to any particular Unit or Units to the exclusion of others shall be a Limited Common Element of such Unit(s). The Association shall be responsible for the maintenance of the structural and mechanical elements of any such Limited Common Elements, with the costs of same being a part of the Common Expenses. Each Unit Owner shall, however, be responsible for the maintenance of any other portions of such areas, for the general cleaning, plant care and upkeep of the appearance of the area(s) and for the repair and replacement of any existing floor coverings and/or any floor coverings hereafter placed or installed on any patio, balcony, terrace, roof deck, terrace, roof terrace and/or lanai. A Unit Owner using a patio, balcony, terrace, roof deck, terrace, roof terrace and/or lanai or making or causing to be made any additions, alterations or improvements thereto agrees, and shall be deemed to have agreed, for such Owner, and his or her heirs, personal representatives, successors and assigns, as appropriate, to hold the Association, the Developer and all other Unit Owners harmless from and to indemnify them for any liability or damage to the Condominium and/or Association Property and expenses arising therefrom.
  - (b) Parking Spaces. Each parking space shown on Exhibit 2 which is attached hereto shall be a Limited Common Element only upon it being assigned as such to a particular Unit in the manner described herein. Until such time as Developer is no longer offering Units for sale in the ordinary course of business, Developer hereby reserves and shall have the right to assign, with or without consideration, the exclusive right to use any parking space located within the Common Elements of the Condominium to one or more Units, whereupon the space so assigned shall be deemed a Limited Common Element of the Units to which it is assigned. Such assignment shall not be recorded in the Public Records of the County but, rather, shall be made by way of instrument placed in the official records of the Association (as same are defined in the By-laws). Further, a Limited Common Element parking space may be relocated at any time, and from time to time, by the Board to comply with applicable federal, state and local laws and regulations regarding or affecting handicap accessibility. A Unit Owner may assign the Limited Common Element parking space appurtenant to his or her Unit to another Unit by written instrument delivered to (and to be held by) the Association. The maintenance of any parking space so assigned shall be the responsibility of the Association.
  - (c) Storage Spaces. Until such time as Developer is no longer offering Units for sale in the ordinary course of business, Developer hereby reserves and shall have (and after such

period the Association, acting through its Board, shall have) the right to assign, with or without consideration, the exclusive right to use any storage space now or hereafter located Within the Common Elements of the Condominium to one or more Units, whereupon the space so assigned shall be deemed a Limited Common Element of the Unit(s) to which it is assigned. Such assignment shall not be recorded in the Public Records of the County but, rather, shall be made by way of instrument placed in the official records of the Association (as same are defined in the By-laws). After assignment to a Unit by the Developer, a Unit Owner may reassign the Limited Common Element storage space appurtenant to his Unit to another Unit by written instrument delivered to (and to be held by) the Association. The maintenance of any space so assigned, the fencing of such space, as well as the insurance of its contents, shall be the sole responsibility of the Owner of the Unit(s) to which it is assigned.

- (d) Miscellaneous Areas, Equipment. Except to the extent that same are located within the boundaries of a Unit any fixtures or equipment (e.g., an air-conditioning compressor or hot water heater) serving a Unit or Units exclusively and any area (e.g., a closet, roof space or ground slab) upon/within which such fixtures or equipment are located shall be Limited Common Elements of such Unit(s). The maintenance (and cost) of any such fixtures and/or equipment and/or areas so assigned shall be the sole responsibility of the Owner of the Unit(s) to which the fixtures and/or equipment are appurtenant.
- (e) Any of the portion of the Common Elements which, by its nature, cannot serve all Units but serves one Unit or more than one Unit (1.8, any hallway and/or elevator landing serving a single Unit or more than one (1) Unit owned by the same Owner) shall be deemed a Limited Common Element of the Unit(s) served and shall be maintained by said Owner. In the event of any doubt or dispute as to whether any portion of the Common Elements constitutes a Limited Common Element or in the event or any question as to which Units are served thereby, a decision shall be made by a majority vote or the Board of Directors of the Association and shall be binding and conclusive when so made. To the extent or any area deemed a Limited Common Element hereunder, the Owner of the Unit(s) to which the Limited Common Element is appurtenant shall have the right to alter it as if the Limited Common Element was part of the Owner(s) Unit, rather than as required for alteration of Common Elements. Notwithstanding the foregoing, the designation of same as a Limited Common Element hereunder shall not allow the Owner of the Unit to which the Limited Common Element is appurtenant to preclude passage through such areas as may be needed from time to time for emergency ingress and egress, and for the maintenance, repair, replacement, alteration and/or operation of the Life Safety Systems, mechanical equipment and/or other Common Elements which are most conveniently serviced (in the sole determination of the Board) by accessing such areas (and an easement is hereby reserved for such purposes).

3.4 Easements. The following easements are hereby created (in addition to any easements created under the Act, the easements set forth in or contemplated by, the Existing Encumbrances, and any easements affecting the Condominium Property and recorded in the Public Records of the County):

- (a) Support. Each Unit, the Building and the improvements shall have an easement of support and of necessity and shall be subject to an easement of support and necessity in favor of all other Units, the Common Elements, and/or the Association Property and any other structure or improvement which abuts any Unit, the Building or any improvements including without limitation, any structures now or hereafter governed by the Covenants.
- (b) Utilities and Other Services: Drainage. Easements are reserved under, through and over the Condominium Property as may be required from time to time for utility, cable television, communications and monitoring systems. The Safety Systems, digital or other satellite systems, broadband communications and other services and drainage in order to serve the Condominium and/or members of the Association and/or the Association. A Unit Owner shall do nothing within or outside his or her Unit that interferes with or impairs, or may interfere with or impair, the provision of such utility, cable television, communications, monitoring systems, Life Safety Systems, digital or other satellite systems, broadband communications or other service or drainage facilities or the use of these easements. The Association shall have an irrevocable right of access to each Unit to maintain, repair or replace the pipes, wires, ducts, vents, cables, conduits and other utility, cable television, communications, monitoring systems, Life Safety Systems, digital or other satellite systems, broadband communications, and drainage

facilities, and Common Elements contained in the Unit or elsewhere in the Condominium Property and to remove any improvements interfering with or impairing such facilities or easements herein reserved; provided such right of access, except in the event of an emergency, shall not unreasonably interfere with the Unit Owner's permitted use of the Unit and except in the event of an emergency, entry shall be made on not less than one-day (1) notice (which notice shall not, however, be required if the Unit Owner is absent when the giving of notice is attempted).

- (c) Attachments. If (i) any portion of the Common Elements and/or the Association Property encroaches upon any Unit (or Limited Common Element appurtenant thereto); (ii) any Unit (or Limited Common Element appurtenant thereto) encroaches upon any other Unit or upon any portion of the Common Elements and/or Association Property; or (iii) any encroachment shall hereafter occur as a result of (a) settling or shifting of the improvements; (b) any alteration or repair to the Common Elements made by or with the consent of the Association or Developer, as appropriate, or (c) any repair or restoration of the improvements (or any portion thereof) or any Unit after damage by fire or other casualty or any taking by condemnation or eminent domain proceedings of all or any portion of any Unit or the Common Elements, then, in any such event, a valid easement shall exist for such encroachment and for the maintenance of same so long as the improvements shall stand.
- (d) Ingress and Egress. A non-exclusive easement in favor of each Unit Owner and resident, their guests and invitees, and for each member of the Association shall exist for pedestrian traffic over, through and across sidewalks, streets, paths, walks, and other portions of the Common Elements and Association Property as from time to time may be intended and designated for such purpose and use by the Board; and for vehicular and pedestrian traffic over, through and across, and parking on, such portions of the Common Elements and Association Property as from time to time may be paved and intended for such purposes. None of the easements specified in this Subsection 3.4(d) shall be encumbered by any leasehold or lien other than those on the Condominium Parcels. Any such lien encumbering such easements (other than those on Condominium Parcels) automatically shall be subordinate to the rights of Unit Owners and the Association with respect to such easements.
- (e) Construction; Maintenance. The Developer (including its affiliates and its or their designees, contractors, successors and/or assigns) shall have the right, in its (and their) sole discretion from time to time, to enter the Condominium Property and/or Association Property and take all other action necessary or convenient for the purpose of undertaking and completing the construction and/or renovation thereof and/or any portion of the Condominium Property and/or Association Property, or any part thereof, or any improvements, structures, facilities or Units located or to be located thereon, and/or any improvements to be located adjacent thereto and for repair, replacement and maintenance or warranty purposes or where the Developer, in its sole discretion, determines that it is required or desires to do so. The Association (and its designees, contractors, subcontractors, employees) shall have the right to have access to each Unit from time to time during reasonable hours as may be necessary for pest control purposes and for the maintenance, repair or replacement of any Common Elements or any portion of a Unit, if any, to be maintained by the Association, or at any time and by force, if necessary, to prevent damage to the Common Elements, the Association Property or to a Unit or Units, including, without limitation, (but without obligation or duty) to close exterior storm shutters in the event of the issuance of a storm watch or storm warning.
- (f) Existing Encumbrances. The Condominium Property is, and shall be, subject to, and encumbered by the rights, duties and obligations set forth in the Existing Encumbrances. The Condominium Property (including all Units and Common Elements therein) is governed and burdened by, and subject to all of the terms and conditions of the Existing Encumbrances. Each Owner (for itself, its tenants, guests, successors and assigns) understands and agrees by acceptance of a deed or otherwise, acquiring title to a Unit, that the owners rights in and to the condominium Property are junior and subordinate to the rights therein granted under the Existing Encumbrances
- (g) Sales and leasing activity. For as long as Developer offers Units in the ordinary course of its business, Developer, its designees, successors and assigns, shall have the right to use any such Units and parts of the common Elements or Association Property for guest accommodations, model apartments and sales, leasing, management, resales and construction offices, to show model Units and the Common Elements to prospective

purchasers and tenants of Units for sale or lease (and an easement is hereby reserved for all such purposes).

- (h) Association Easements. The Association and its agents, employees, contractors and assigns shall have an easement to enter onto the Condominium Property for the purpose of performing such functions as are permitted or required to be performed by such Association by the Covenants, including, but not limited to, safety and maintenance activities. An easement for such purposes is hereby granted and reserved to the Association and its members (and its and their guests, tenants and invitees), and each Owner, by acceptance of a deed or other conveyance of a Unit, shall be deemed to have agreed to grant the reservation of easement herein described and the lights herein vested in the Association.
  - (i) Warranty. For as long as Developer remains liable under any warranty, whether statutory, express or implied, for acts or omissions of Developer in the development, construction, sale, resale, leasing, financing and marketing of the Condominium, then Developer and its contractors, agents and designees shall have the right, in Developer's sole discretion and from time to time and without requiring prior approval of the Association and/or any Unit Owner and without requiring any consideration to be paid by the Developer to the Unit Owners and/or Condominium Association (provided, however, that absent an emergency situation, Developer shall provide reasonable advance notice), to enter the Condominium Property, including the Unit, Common Elements and limited Common Elements, for the purpose of inspecting, testing and surveying same to determine the need for repairs, improvements and/or replacements, and effecting same, so that Developer can fulfill any of its warranty obligations. The failure of the Association or any Unit Owner to grant, or to interfere with, such access, shall alleviate the Developer from having to fulfill its warranty obligations and the costs, expenses, liabilities or damages arising out of any unfulfilled Developer warranty will be the sole obligation and liability of the person or entity who or which impedes the Developer in any way in Developer's activities described in this Subsection 3.4(i). The easements reserved in this Section shall expressly survive the transfer of control of the Association to Unit Owners other than the Developer. Nothing herein shall be deemed or construed as the Developer making or offering any warranty, all of which are disclaimed (except to the extent same may not be or are expressly set forth herein) as set forth in Section 23 below.
  - (j) Exterior Building Maintenance. An easement is hereby reserved on, through and across, each Unit and all Limited Common Elements appurtenant thereto in order to afford access to the Association (and its contractors) to perform roof repairs and/or replacement; repair, replace, maintain and/or alter rooftop mechanical equipment, to stage window washing equipment and to perform window washing and/or any other exterior maintenance and/or painting of the Building.
  - (k) Additional Easements. The Association, through its Board, on the Association's behalf and on behalf of all Unit Owners (each of whom hereby appoints the Association as its Attorney-in-fact for this purpose), shall have the right to grant such additional general ("blanket") and specific electric, gas or other utility, cable television, security systems, communications or service easements (and appropriate bills of sale for equipment, conduits, pipes, lines and similar installations pertaining thereto), or modify or relocate any such existing easements or drainage facilities, in any portion of the Condominium and/or Association Property, and to grant access easements or relocate any existing access easements' in any portion of the Condominium and/or Association Property, as the Board shall deem necessary or desirable for the proper operation and maintenance of the improvements, or any portion thereof, or for the general health or welfare of the Unit Owners and/or members of the Association, or for the purpose of carrying out any provisions of this Declaration, provided that such easements or the relocation of existing easements will not prevent or unreasonably interfere with the reasonable use of the Units for dwelling purposes.
4. Restraint Upon Separation and Partition of Common Elements. The undivided share in the Common Elements and Common Surplus which is appurtenant to a Unit, and the exclusive right to use all appropriate appurtenant Limited Common Elements, shall not be separated therefrom and shall pass with the title to the Unit, whether or not separately described. The appurtenant share in the Common Elements and Common Surplus, and the exclusive right to use all Limited Common Elements appurtenant to a Unit, except as elsewhere herein provided to the contrary, cannot be conveyed or encumbered except together with the Unit. The respective shares in the Common Elements

appurtenant to Units shall remain undivided, and no action for partition of the Common Elements, the Condominium Property, or any part thereof, shall lie, except as provided herein with respect to termination of the Condominium.

5. Ownership of Common Elements and Common Surplus and Share of Common Expenses. The undivided percentage interest in the Common Elements and Common Surplus, and the percentage share of the Common Expenses, appurtenant to each Unit, is as set forth on Exhibit "3" attached hereto, same having been determined based upon the total square footage of the applicable Unit in uniform relationship to the total square footage of each other Unit
  - 5.1 Membership and Voting Rights. Membership in the Association is automatic upon acquisition of ownership of a Condominium Unit and may not be transferred apart and separate from a transfer of the ownership of the Unit. Membership shall likewise automatically terminate upon sale or transfer of the unit, whether voluntarily or involuntarily. Each Unit shall be entitled to one vote to be cast by its Owner in accordance with the provisions of the By-laws and Articles of Incorporation of the Association.
  - 5.2 Management Agreement. In order to facilitate the operation of the Condominium Property, and in order to maintain the Condominium and the Common Elements, the Association shall have the right to enter into a Management Agreement with a management company. The fact that such a Management Agreement may be entered into with a management company shall in no way prevent the Association from terminating that contract in accordance with the applicable statutes, and entering into a Management Agreement with any other management company, nor is it intended to defeat any rights of the Association with respect to such management company which the Association may have under the laws of the State of Florida or under any Management Agreement.
6. Amendments. Except as elsewhere provided herein, amendments may be effected as follows:
  - 6.1 By The Association. Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is to be considered. Except as elsewhere provided, approvals must be by an affirmative vote representing in excess of 66 2/3% of the voting interests of all Unit Owners. Members not present in person or by proxy at the meeting considering the amendment may express their approval in writing, provided that such approval is delivered to the secretary at or prior to the meeting, however, such approval or disapproval may not be used as a vote for or against the action taken and may not be used for the purpose of creating a quorum.
  - 6.2 Material Amendments. Unless otherwise provided specifically to the contrary in this Declaration, no amendment shall change the configuration or size of any Unit in any material fashion, materially alter or modify the appurtenances to any Unit or change the percentage by which the Owner of a Unit shares the Common Expenses and owns the Common Elements and Common Surplus (any such change or alteration being a "Material Amendment), unless the record Owner(s) thereof, and all record owners of mortgages or other liens thereon, shall join in the execution of the amendment and the amendment is otherwise approved by in excess of 66 2/3% of the voting interests of Unit Owners. The acquisition of property by the Association, material alterations or substantial additions to such property or the Common Elements by the Association and installation, replacement, operation, repair and maintenance of approved exterior storm shutters, if in accordance with the provisions of this Declaration, shall not be deemed to constitute a material alteration or modification of the appurtenances of the Units, and accordingly, shall not constitute a Material Amendment.
  - 6.3 Mortgagee's Consent. No amendment may be adopted which would eliminate, modify, prejudice, abridge or otherwise adversely affect any rights, benefits, privileges or priorities granted or reserved to mortgagees of Units without the consent of said mortgagees in each instance; nor shall an amendment make any change in the sections hereof entitled "Insurance," "Reconstruction or Repair after Casualty" or "Condemnation," unless the Primary Institutional First Mortgagee shall join in the amendment. Except as specifically provided herein or if required by FNMA or FHLMC, the consent and/or joinder of any lien or mortgage holder on a Unit shall not be required for the adoption of an amendment to this Declaration and, whenever the consent or joinder of a lien or mortgage holder is required, such consent or joinder shall not be unreasonably withheld.

- 6.4 Water Management District. No amendment may be adopted which would affect the drainage and/or surface water management system, including environmental conservation areas, without the consent of the applicable Water Management District (the "District"). The District shall determine whether the amendment necessitates a modification of the current surface water management permit if a modification is necessary, the District will advise the Association.
- 6.5 By or Affecting the Developer. Notwithstanding anything herein contained to the contrary, during the time the Developer has the right to elect a majority of the Board of Directors of the Association, the Declaration, the Articles of Incorporation or the By-laws of the Association may be amended by the Developer alone, without requiring the consent of any other party, to effect any change whatsoever, except for an amendment (a) to permit time-share estates (which must be approved, if at all, by all Unit Owners and mortgagees on Units); or (b) to effect a Material Amendment which must be approved, if at all, in the manner set forth in Subsection 6.2 above. The unilateral amendment right set forth herein shall include, without limitation, the right to correct scrivener's errors. No amendment may be adopted which would eliminate, modify, prejudice, abridge or otherwise adversely affect any rights, benefits, privileges or priorities granted or reserved to the Developer, without the prior written consent of the Developer in each instance.
- 6.6 Execution and Recording. An amendment other than amendments made by the Developer alone pursuant to the Act or this Declaration, shall be evidenced by a certificate of the Association, executed either by the President of the Association or a majority of the members of the Board of Directors which shall include recording data identifying the Declaration and shall be executed with the same formalities required for the execution of a deed. An amendment of the Declaration is effective when the applicable amendment is properly recorded in the public records of the County. No provision of this Declaration shall be revised or amended by reference to its title or number only. Proposals to amend existing provisions of this Declaration shall contain the full text of the provision to be amended; new words shall be inserted in the text underlined; and words to be deleted shall be lined through with hyphens. However, if the proposed change is so extensive that this procedure would hinder, rather than assist, the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but, instead, a notation must be inserted immediately preceding the proposed amendment in substantially the following language: Substantial rewording of Declaration. See provision "... for present text." Nonmaterial errors or omissions in the amendment process shall not invalidate an otherwise properly adopted amendment.

For purposes of this Section, income to the Association other than the Assessments (as defined herein and in the Act) shall not be taken into account when determining the deficits to be funded by the Developer. Prior to the Guarantee Expiration Date, the Developer shall have the option, in its sole discretion, of extending the guarantee for one (1) or more additional periods, or paying the share of Common Expenses and Assessments attributable to Units it then owns. the preceding clause, their appurtenant interests in the Common Elements and share of the Common Surplus and Common Expenses; provided, however, that the percentage interest in the Common Elements and share of the Common Surplus and Common Expenses of any Units (other than the affected Developer-owned Units) shall not be changed by reason thereof unless the Owners of such Units shall consent thereto and, provided further, that Developer shall comply with all laws, ordinances and regulations of all governmental authorities having jurisdiction in so doing. In making the above alterations, additions and improvements, the Developer may relocate and alter Common Elements adjacent to or near such Units, incorporate portions of the Common Elements into adjacent Units and incorporate Units, or portions thereof, into adjacent Common Elements, provided that such relocation and alteration does not materially adversely affect the market value or ordinary use of Units owned by Unit Owners other than the Developer. Any amendments to this Declaration required by changes of the Developer made pursuant to this Section 10, shall be effected by the Developer alone pursuant to Subsection 6.5, without the vote or consent of the Association or Unit Owners (or their mortgagees) required, except to the extent that any of same constitutes a Material Amendment, in which event the amendment must be approved as set forth in Subsection 6.2 above. - (a) "Special Assessments" shall mean and refer to an assessment against each Owner and his Unit, representing a portion of the costs incurred by the Association for specific purposes of a nonrecurring nature which are not in the nature of Capital Improvements.
  - (b) "Capital Improvement Assessments" shall mean and refer to an assessment against each Owner and his Unit, representing a portion of the costs incurred by the Association for the acquisition, installation, construction or replacement (as distinguished from repairs and maintenance) of any Capital Improvements located or to be located within the Common Elements or Association Property.
  - (c) Special Assessments and Capital Improvement Assessments may be levied by the Board and shall be payable in lump sums or installments, at the discretion of the Board; provided that, if such Special Assessments or Capital Improvement Assessments, in the aggregate in any year, exceed three percent (3%) of the then estimated operating budget of the Association, the Board must obtain approval of a majority of the voting interests represented at a meeting at which a quorum is attained.
- 13.3 Default in Payment of Assessments for Common Expenses. Assessments and installments thereof not paid within ten (10) days from the date when they are due shall bear interest at fifteen percent (15%) per annum from the date due until paid and shall be subject to an administrative late fee in an amount not to exceed the greater of twenty five dollars (\$25.00) or five percent (5%) of each delinquent installment. The Association has a lien on each Condominium Parcel to secure the payment of Assessments. Except as set forth below, the lien is effective from, and shall relate back to, the date of the recording of this Declaration. However, as to a first mortgage of record, the lien is effective from and after the date of the recording of a claim of lien in the Public Records of the County, stating the description of the Condominium Parcel, the name of the record Owner and the name and address of the Association. The lien shall be evidenced by the recording of a claim of lien in the Public Records of the County. To be valid, the claim of lien must state the description of the Condominium Parcel, the name of the record Owner, the name and address of the Association, the amount due and the due dates, and the claim of lien must be executed and acknowledged by an officer or authorized officer of the Association. The claim of lien shall not be released until all sums secured by it (or such other amount as to which the Association shall agree by way of settlement) have been fully paid or until it is barred by law. No such lien shall be effective longer than one (1) year after the claim of lien has been recorded unless, within that one (1) year period, an action to enforce the lien is commenced. The one (1) year period shall automatically be extended for any length of time during which the Association is prevented from filing a foreclosure action by an automatic stay resulting from a bankruptcy petition filed by the Owner or any other person claiming an interest in the Unit. The claim of lien shall secure (whether or not stated therein) all unpaid Assessments, which are due and which may accrue subsequent to the recording of the claim of lien and prior to the entry of a certificate of title, as well as interest and all reasonable costs and attorneys' fees incurred by the Association incident to the collection process. Upon payment in full the person making the payment is entitled to a satisfaction of the lien in recordable form. The Association may bring an action in its name to foreclose a lien for unpaid Assessments in the

manner a mortgage of real property is foreclosed and may also bring an action at law to recover a money judgment for the unpaid Assessments without waiving any claim of lien. The Association is entitled to recover its reasonable attorneys' fees incurred either in a lien foreclosure action or an action to recover a money judgment for unpaid Assessments.

As an additional right and remedy of the Association, upon default in the payment of Assessments as aforesaid and after thirty (30) days' prior written notice to the applicable Unit Owner and the recording of a claim of lien, the Association may accelerate and declare immediately due and payable all installments of Assessments for the remainder of the fiscal year. In the event that the amount of such installments changes during the remainder of the fiscal year, the Unit Owner or the Association, as appropriate, shall be obligated to pay or reimburse to the other the amount of increase or decrease within ten (10) days of same taking effect.

13.4 Notice of Intention to Foreclose Lien. No foreclosure judgment may be entered until at least thirty (30) days after the Association gives written notice to the Unit Owner of its intention to foreclose its lien to collect the unpaid Assessments. If this notice is not given at least thirty (30) days before the foreclosure action is filed, and if the unpaid Assessments, including those coming due after the claim of lien is recorded, are paid before the entry of a final judgment of foreclosure, the Association shall not recover attorney's fees or costs. The notice must be given by delivery of a copy of it to the Unit Owner or by certified or registered mail, return receipt requested, addressed to the Unit Owner at the last known address, and upon such mailing, the notice shall be deemed to have been given. If after diligent search and inquiry the Association cannot find the Unit Owner or a mailing address at which the Unit Owner will receive the notice, the court may proceed with the foreclosure action and may award attorney's fees and costs as permitted by law. The notice requirements of this Subsection are satisfied if the Unit Owner records a Notice of Contest of Lien as provided In the Act.

13.5 Appointment of Receiver to Collect Rental. If the Unit Owner remains in possession of the Unit after a foreclosure judgment has been entered, the court In Its discretion may require the Unit Owner to pay a reasonable rental for the Unit. If the Unit is rented or leased during the pendency of the foreclosure action, the Association is entitled to the appointment of a receiver to collect the rent. The expenses of such receiver shall be paid by the party which does not prevail in the foreclosure action.

13.6 First Mortgagee. The liability of the holder of a first mortgage on a Unit (each, a "First Mortgagee" or its successors or assigns, who acquires title to a Unit by foreclosure or by deed in lieu of foreclosure for the unpaid Assessments (or installments thereof) that became due prior to the First Mortgagee's acquisition of title is limited to the lesser of:

(a) The Unit's unpaid Common Expenses and regular periodic Assessments which accrued or came due during the six (6) months immediately preceding the acquisition of title and for which payment In full has not been received by the Association; or

(b) One percent (1%) of the original mortgage debt as to a Unit acquired by foreclosure, the limitations set forth in clauses (a) and (b) above shall not apply unless the First Mortgagee joined the Association as a defendant in the foreclosure action. Joinder of the Association, however, is not required if, on the date the complaint is filed, the Association was dissolved or did not maintain an office or agent for service of process at a location which was known to or reasonably discoverable by the mortgagee.

A First Mortgagee acquiring title to a Unit as a result of foreclosure or deed in lieu thereof may not, during the period of its ownership of such Unit, whether or not such Unit is unoccupied, be excused from the payment of some or all of the Common Expenses coming due during the period of such ownership.

13.7 Developer's liability for Assessments. The liability of the Developer with respect to its share of the Common Expenses for its unsold Residential Units shall be as set forth in Section 10 paragraph C.

13.8 Estoppel Statement Within fifteen (15) days after receiving a written request therefore from a purchaser, Unit Owner or mortgagee of an Unit, the Association shall provide a certificate, signed by an officer or agent of the Association, stating all Assessments and other moneys owed to the Association by the Unit Owner With respect to his or her Unit. Any person other than the Unit Owner who relies upon such certificate shall be protected thereby. The

Association or its authorized agent may charge a reasonable fee for the preparation of such certificate.

- 13.9 Installments. Regular Assessments shall be collected monthly or quarterly, in advance, at the option of the Association. Initially, assessments will be collected monthly.
- 13.10 Application of Payments. Any payments received by the Association from a delinquent Unit Owner shall be applied first to any interest accrued on the delinquent installment(s) as aforesaid, then to any administrative late fees, then to any costs and reasonable attorneys' fees incurred in collection and then to the delinquent and any accelerated Assessments. The foregoing shall be applicable notwithstanding any restrictive endorsement, designation or instruction placed on or accompanying a payment.
14. Insurance. Insurance covering the Condominium Property and the Association Property shall be governed by the following provisions:
- 14.1 Purchase, Custody and Payment.
- (a) Purchase. Subject to the provisions of the Covenants, all insurance policies described herein covering portions of the Condominium and Association Property shall be purchased by the Association and shall be issued by an insurance company authorized to do business in Florida or by a surplus lines carrier offering policies for Florida properties reasonably acceptable to the Board.
  - (b) Approval. Each insurance policy, the agency and company issuing the policy and the Insurance Trustee (if appointed) hereinafter described shall be subject to the approval of the Primary Institutional First Mortgagee in the first instance, if requested thereby.
  - (c) Named Insured. The named insured shall be the Association, individually, and as agent for Owners of Units covered by the policy, without naming them, and as agent for their mortgagees, without naming them. The Unit Owners and their mortgagees shall be deemed additional named insureds.
  - (d) Custody policies and Payment of Proceeds. All policies shall provide that payments for losses made by the insurer shall be paid to the Association or to the Insurance Trustee (if appointed), and all policies and endorsements thereto shall be deposited with the Association or to the Insurance Trustee (if appointed).
  - (e) Copies to Mortgagees. One copy of each insurance policy, or a certificate evidencing such policy and all endorsements thereto, shall be furnished by the Association upon request to each Institutional First Mortgagee who holds a mortgage upon a Unit covered Declaration by the policy. Copies or certificates shall be furnished not less than ten (10) days prior to the beginning of the term of the policy; or not less than ten (10) days prior to the expiration of each preceding policy that is being renewed or replaced, as appropriate.
  - (f) Personal Property and Liability. Except as specifically provided herein or by the Act, the Association shall not be responsible to Unit Owners to obtain insurance coverage upon the property lying within the boundaries of their Unit, including, but not limited to, their personal property, and for their personal liability, moving and relocation expenses, lost rent expenses and living expenses and for any other risks not otherwise insured in accordance herewith. To the extent that a Unit Owner or other occupant of a Unit desires coverage for such excluded items, it shall be the sole responsibility of the Unit Owner and/or occupant to obtain.
- 14.2 Coverage. The Association shall maintain insurance covering the following:
- (a) Casualty. The Insured Property (as hereinafter defined) shall be insured in an amount not less than 100% of the full insurable replacement value thereof, excluding foundation and excavation costs (and subject to such reasonable deductibles as discussed below). The policy shall provide primary coverage for the following (the Insured Property): (i) all portions of the Condominium Property located outside the Units, (ii) the Condominium Property located inside the Units as such property was initially installed, or replacements thereof of like kind and quality and in accordance with the original plans and specifications or, if the original plans and specifications are not available, as they existed at the time that the Unit was initially conveyed, and (iii) the Building

(including all fixtures, installations or additions comprising that part of the Building within the boundaries of the Units and required by the Act to be insured under the Association's policies) and all improvements, located on the Common Elements and the Association Property from time to time, together with all fixtures, building service equipment personal property and supplies constituting the Common Elements or Association Property. Notwithstanding the foregoing, the Insured Property shall not include, and shall specifically exclude, all floor, wall and ceiling coverings, electrical fixtures, appliances, air conditioner and/or heating equipment, water heaters, water filters, built-in cabinets and countertops, and window treatments, including curtains, drapes, blinds, hardware and similar window treatment components, or replacements of any of the foregoing which are located within the boundaries of a Unit and serve only one Unit and all air conditioning compressors that service only an individual Unit if any, whether or not located within the Unit boundaries. Such policies may contain reasonable deductible provisions as determined by the Board of Directors of the Association. Such coverage shall afford protection against loss or damage by fire and other hazards covered by a standard extended coverage endorsement and such other risks as from time to time are customarily covered with respect to buildings and improvements similar to the Insured Property in construction, location and use, including, but not limited to, vandalism and malicious mischief.

- (b) Comprehensive general public; liability and automobile liability insurance covering loss or damage resulting from accidents or occurrences on or about or in connection with the Insured Property or adjoining driveways and walkways, subject to this Declaration, or any work, matters or things related to the Insured Property, with such coverage as shall be required by the Board of Directors of the Association, but with combined single limit liability of not less than \$1,000,000 for each accident or occurrence \$100,000 per person and \$50,000 property damage; and with a cross liability endorsement to cover liabilities of the Unit Owners as a group to any Unit Owner, and Vice versa. The Association may also obtain and maintain liability insurance for its directors and officers and for the benefit of the Association's employees, in such amounts and under such terms and conditions as the Association deems appropriate in its sole and absolute discretion.
- (c) Worker's Compensation and other mandatory insurance, when applicable.
- (d) Flood Insurance. Covering the Common Elements, Association Property and Units if required by the Primary Institutional First Mortgagee or FNMA or FHLMC, or if the Association so elects.
- (e) Fidelity Insurance or Fidelity Bonds. The Association shall obtain and maintain adequate insurance or fidelity bonding of all persons who control or disburse Association funds which shall include, without limitation, those individuals authorized to sign Association checks and the president, secretary and treasurer of the Association. The insurance policy or fidelity bond shall be in such amount as shall be determined by a majority of the Board, but must be sufficient to cover the maximum funds that will be in the custody of the Association or its management agent at anyone time. The premiums on such bonds and/or insurance shall be paid by the Association as a Common Expense
- (f) Association Property Appropriate additional policy provisions, policies or endorsements extending the applicable portions of the coverage described above to all Association Property, where such coverage is available.
- (g) Such Other Insurance as the Board of Directors of the Association shall determine from time to time to be desirable.

When appropriate and obtainable, each of the foregoing policies shall waive the insurer's right to: (i) subrogation against the Association and against the Unit Owners individually and as a group, (ii) pay only a fraction of any loss in the event of coinsurance or if other insurance carriers have issued coverage upon the same risk, and (iii) avoid liability for a loss that is caused by an act of the Board of Directors of the Association, a member of the Board of Directors of the Association, one or more Unit Owners or as a result of contractual undertakings. Additionally, each policy shall provide that any insurance trust agreement will be recognized, that the insurance provided shall not be prejudice by any act or omissions of individual Unit Owners that are not under the control of the Association, and that the policy shall be primary, even if a Unit Owner has other insurance that covers the same loss.

Every casualty insurance policy obtained by the Association, if required by FNMA or FHLMC, and if generally available, shall have the following endorsements: (i) agreed amount and inflation guard and (ii) steam boiler coverage providing at least \$50,000 coverage for each accident at each location, if applicable.

- 14.3 Additional Provisions. All policies of insurance shall provide that such policies may not be canceled or substantially modified without at least thirty (30) days' prior written notice to all of the named insureds, including all mortgagees of Units. Prior to obtaining any policy of casualty insurance or any renewal thereof, the Board of Directors may (or if required by FNMA/FHLMC, shall) obtain an appraisal from a fire insurance company, or other competent insurance appraiser for the full insurable replacement value of the Insured Property (exclusive of foundations), without deduction for depreciation, for the purpose of determining the amount of insurance to be effected pursuant to this Section 14.
- 14.4 Premiums. Premiums upon insurance policies purchased by the Association shall be paid by the Association as a Common Expense, except that the costs of fidelity bonding for any management company employee may be paid by such company pursuant to its contract with the Association. Premiums may be financed in such manner as the Board of Directors deems appropriate. The Board shall determine the appropriate deductible for each policy of insurance. Each Owner, by acceptance of a deed or other conveyance of a Unit, hereby ratifies and confirms any decisions made by the Association in this regard and recognizes and agrees that funds to cover the deductible must be provided from the general operating funds of the Association before the Association will be entitled to Insurance proceeds. The Association may, but shall not be obligated to, establish a reserve to cover any applicable deductible.
- 14.5 Insurance Trustee or Association: Share of Proceeds. If an Insurance Trustee has not been appointed by the Association, then the Association is hereby irrevocably appointed as an agent and attorney-in-fact for each and every Unit Owner, for each Institutional First Mortgagee and/or each owner of any other interest in the Condominium Property to adjust and settle any and all claims arising under any insurance policy purchased by the Association and to execute and deliver releases upon the payment of claim, if any. The decision to engage or appoint an Insurance Trustee, or not to do so, lies solely with the Association. All insurance policies obtained by or on behalf of the Association shall be for the benefit of the Association, the Unit Owners and their mortgagees, as their respective Interests may appear, and shall provide that all proceeds covering property losses shall be paid to the Association or to the Insurance Trustee, if one is appointed by the Association, which may be designated by the Board of Directors as provided in Subsection 14.10 below and in this Subsection 14.5, and which, if so appointed, shall be a bank or trust company in Florida with trust powers with its principal place of business in the State of Florida. The Insurance Trustee shall not be liable for payment of premiums, nor for the renewal or the sufficiency of policies, nor for the failure to collect any insurance proceeds. The duty of the Insurance Trustee or the Association, as applicable, shall be to receive such proceeds as are paid and to hold the same in trust for the purposes elsewhere stated herein and for the benefit of the Unit Owners and their respective mortgagees in the following shares, but shares need not be set forth on the records of the Insurance Trustee:
- (a) Insured Property. Proceeds on account of damage to the Insured Property shall be held in undivided shares for each Unit Owner. Such shares being the same as the undivided shares in the Common Elements appurtenant to each Unit, provided that if the Insured Property so damaged includes property lying within the boundaries of specific Units that portion of the proceeds allocable to such property shall be held as if that portion of the Insured Property were Optional Property as described in paragraph (b) below.
  - (b) Optional Property. Proceeds on account of damage solely to Units and/or certain portions or all of the contents thereof, not included in the Insured Property (all as determined by the Association in its sole discretion) (collectively the "Optional Property"), if any is collected by reason of optional Insurance which the Association elects to carry thereon (as contemplated herein), shall be held for the benefit of Owners of Units or other portions of the Optional Property damaged in proportion to the cost of repairing the damage suffered by each such affected Owner, which cost and allocation shall be determined in the sole discretion of the Association.
  - (c) Mortgagees. No mortgagee shall have any right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired, and no mortgagee shall have any right to apply or have applied to the reduction

of a mortgage debt any insurance proceeds, except for actual distributions thereof made to the Unit Owner and mortgagee pursuant to the provisions of this Declaration.

- 14.6 Distribution of Proceeds. Proceeds of insurance policies received by the Association and/or Insurance Trustee, as applicable, shall be distributed to or for the benefit of the beneficial owners thereof in the following manner:
- (a) Expenses of the Trustee. All expenses of the Insurance Trustee (if any) shall be first paid or provision shall be made therefor.
  - (b) Reconstruction or Repair. If the damaged property for which the proceeds are paid is to be repaired or reconstructed, the remaining proceeds shall be paid to defray the cost thereof as elsewhere provided herein. Any proceeds remaining after defraying such costs shall be distributed to the beneficial owners thereof, remittances to Unit Owners and their mortgagees being payable jointly to them.
  - (c) Failure to Reconstruct Repair. If it is determined in the manner elsewhere provided that the damaged property for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be allocated among the beneficial owners as provided in Subsection 14.5 above provided, however, that no payment shall be made to an Owner to the extent that the Owner's Unit is encumbered by a mortgage or other liens. To the extent that the Unit is so encumbered, the net proceeds shall be paid to the mortgage and lien holders in the order of priority of such mortgages and liens. Any balance of proceeds attributable to such Owner's share remaining after satisfaction of such mortgages and liens, if any, shall be paid to the Owner.
  - (d) Certificate. In making distributions to Unit Owners and their mortgagees, the Insurance Trustee (if appointed) may rely upon a certificate of the Association made by its President and Secretary as to the names of the Unit Owners and their mortgagees and their respective shares of the distribution.
- 14.7 Association as Agent. The Association is hereby irrevocably appointed as agent and attorney-in fact for each Unit Owner and for each owner of a mortgage or other lien upon a Unit and for each owner of any other interest in the Condominium Property to adjust all claims arising under Insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.
- 14.8 Unit Owners' Personal Coverage. Unless the Association elects otherwise, the insurance purchased by the Association shall not cover claims against an Owner due to accidents occurring within his Unit, nor casualty or theft loss to the contents of an Owner's Unit. It shall be the obligation of the individual Unit Owner, if such Owner so desires, to purchase and pay for insurance as to all such and other risks not covered by insurance carried by the Association.
- 14.9 Benefit of Mortgagees. Certain provisions *in* this Section 14 are for the benefit of mortgagees of Units and may be enforced by such mortgagees.
- 14.10 Appointment of Insurance Trustee. The Board of Directors of the Association shall have the option in its discretion of appointing an Insurance Trustee hereunder. If the Association fails or elects not to appoint such Trustee, the Association, pursuant to Subsection 14.5 above, will perform directly all obligations imposed upon such Trustee by this Declaration. Fees and expenses of any Insurance Trustee are Common Expenses.
- 14.11 Presumption as to Damaged Property. In the event of a dispute or lack of certainty as to whether damaged property constitutes a Unit(s) or Common Elements, such property shall be presumed to be Common Elements.
15. Reconstruction or Repair After Fire or Other Casualty.
- 15.1 Determination to Reconstruct or Repair. Subject to the provisions of the Covenants and the immediately following paragraphs, in the event of damage to or destruction of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) as a result of fire or other casualty, the Board of Directors shall arrange for the prompt repair and restoration of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) and the Association and/or Insurance Trustee (if appointed), as applicable, shall disburse the proceeds of all

insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. If 75% or more of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) is substantially damaged or destroyed and if Unit Owners owning 80% of the applicable interests in the Common Elements duly and promptly resolve not to proceed with the repair or restoration thereof and a Majority of Institutional First mortgagees approve such resolution, the Condominium Property will not be repaired and shall be subject to an action for partition instituted by the Association, any Unit Owner, mortgagee or lienor as if the Condominium Property were owned in common, in which event the net proceeds of insurance resulting from such damage or destruction shall be divided among all the Unit Owners in proportion to their respective interests in the Common Elements (with respect to proceeds held for damage to the Insured Property other than that portion of the Insured Property lying within the boundaries of the Unit), and among affected Unit Owners in proportion to the damage suffered by each such affected Unit Owner, as determined in the sole discretion of the Association (with respect to proceeds held for damage to the Optional Property, if any, and/or that portion of the Insured Property lying within the boundaries the Unit); provided, however, that no payment shall be made to a Unit Owner until there has first been paid out of his share of such fund all mortgages and liens on his Unit in the order of priority of such mortgages and liens.

Whenever in this Section the words "promptly repair" are used, it shall mean that repairs are to begin not more than sixty (60) days from the date the Association holds, or the Insurance Trustee (if appointed) notifies the Board of Directors and Unit Owners that it holds, proceeds of insurance on account of such damage or destruction sufficient to pay the estimated cost of such work, or not more than ninety (90) days after the Association determines that, or the Insurance Trustee (if appointed) notifies the Board of Directors and the Unit Owners that, such proceeds of insurance are insufficient to pay the estimated costs of such work. The Insurance Trustee (if appointed) may rely upon a certificate of the Association made by its President and Secretary to determine whether or not the damaged property is to be reconstructed or repaired.

- 15.2 Plans and Specifications. Any reconstruction or repair must be made substantially in accordance with the plans and specifications for the original improvements and then applicable building and other codes; or if not, then in accordance with the plans and specifications approved by the Board of Directors of the Association and then applicable building and other codes, and, if the damaged property which is to be altered is the Building or the Optional Property 1 by the Owners of not less than 80% of the applicable interests in the Common Elements, as well as the Owners of all Units and other portions of the Optional Property (and their respective mortgagees) the plans for which are to be altered.
- 15.3 Special Responsibility. If the damage is only to those parts of the Optional Property for which the responsibility of maintenance and repair is that of the respective Unit Owners, then the Unit Owners shall be responsible for all necessary reconstruction and repair, which shall be effected promptly and in accordance with guidelines established by the Board of Directors (unless insurance proceeds are held by the Association with respect thereto by reason of the purchase of optional Insurance thereon, in which case the Association shall have the responsibility to reconstruct and repair the damaged Optional Property, provided the respective Unit Owners shall be individually responsible for any amount by which the cost of such repair or reconstruction exceeds the insurance proceeds held for such repair or reconstruction on a Unit by Unit basis, as determined in the sole discretion of the Association). In all other instances, the responsibility for all necessary reconstruction and repair shall be that of the Association.
- (a) Disbursement. The proceeds of insurance collected on account of a casualty, and the sums collected from Unit Owners on account of such casualty shall constitute a construction fund which shall be disbursed in payment of the costs of reconstruction and repair in the following manner and order:
- (i) Association - Lesser Damage. If the amount of the estimated costs of reconstruction and repair which are the responsibility of the Association is less than \$100,000, then the construction fund shall be disbursed in payment of such costs upon the order of the Board of Directors of the Association; provided, however, that upon request to the Insurance Trustee (If appointed) by an Institutional First Mortgagee which is a beneficiary of an insurance policy, the proceeds of which are included in the construction fund, such fund shall be disbursed in the manner provided below for the reconstruction and repair of major damage.

(ii) Association- Major Damage. If the amount of the estimated costs of reconstruction and repair, which are the responsibility of the Association, is more than \$100,000, then the construction fund shall be disbursed in payment of such costs in the manner contemplated by Subsection 15.3(a)(ii) above, but then only upon the further approval of an architect or engineer qualified to practice in Florida and employed by the Association to supervise the work.

(iii) Unit Owners. If there is a balance of insurance proceeds after payment of all costs of reconstruction and repair that are the responsibility of the Association, this balance may be used by the Association to effect repairs to the Optional Property (if not insured or if under-insured), or may be distributed to Owners of the Optional Property who have the responsibility for reconstruction and repair thereof. The distribution shall be in the proportion that the estimated cost of reconstruction and repair of such damage to each affected Unit Owner bears to the total of such estimated costs to all affected Unit Owners, as determined by the Board; provided, however, that no Unit Owner shall be paid an amount in excess of the estimated costs of repair for his portion of the Optional Property. Any and all proceeds shall only be used to effect repairs to the Optional Property, and if insufficient to complete such repairs, the Owners shall pay the deficit with respect to their portion of the Optional Property and promptly effect the repairs. Any balance remaining after such repairs have been effected shall be distributed to the affected Unit Owners and their mortgagees jointly as elsewhere herein contemplated.

(iv) Surplus. It shall be presumed that the first monies disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds. If there is a balance in a construction fund after payment of all costs relating to the reconstruction and repair for which the fund is established, such balance shall be distributed to the beneficial owners of the fund in the manner elsewhere stated; except, however, that part of a distribution to an Owner which is not in excess of Assessments paid by such Owner into the construction fund shall not be made payable jointly to any mortgagee.

(v) Certificate. Notwithstanding the provisions herein, the Insurance Trustee shall not be required to determine whether or not sums paid by Unit Owners upon Assessments shall be deposited by the Association with the Insurance trustee nor to determine whether the disbursements from the construction fund are to be made upon the order of the Association alone or upon the additional approval of an architect, engineer or otherwise, nor whether a disbursement is to be made from the construction fund, nor to determine whether surplus funds to be distributed are less than the Assessments paid by Owners, nor to determine the payees nor the amounts to be paid. The Insurance Trustee may rely upon a certificate of the Association, made by its President and Secretary, as to any or all of such matters and stating that the sums to be paid are due and properly payable, and stating the names of the payees and the amounts to be paid.

15.4 Assessments. If the proceeds of the insurance are not sufficient to defray the estimated costs of reconstruction and repair to be effected by the Association, or if at any time during reconstruction and repair, or upon completion of reconstruction and repair, the funds for the payment of the costs of reconstruction and repair are insufficient, Assessments shall be made against the Unit Owners in sufficient amounts to provide funds for the payment of such costs. Such Assessments on account of damage to the Insured Property shall be in proportion to all of the Owners' respective shares in the Common Elements, and on account of damage to the Optional Property, the Association shall charge the Owner (but shall not levy an Assessment) in proportion to the cost of repairing the damage suffered by each Owner thereof, as determined by the Association.

15.5 Benefit of Mortgages. Certain provisions in this Section 15 are for the benefit of mortgagees of Units and may be enforced by any of them.

16. Condemnation.

16.1 Deposit of Awards with Insurance Trustee. The taking of portions of the Condominium Property or Association Property by the exercise of the power of eminent domain shall be deemed to be a casualty, and the awards for that taking shall

be deemed to be proceeds from insurance on account of the casualty and shall be deposited with the Insurance Trustee. Even though the awards may be payable to Unit Owners, the Unit Owners shall deposit the awards with the Insurance Trustee; and in the event of failure to do so, in the discretion of the Board of Directors of the Association, a charge shall be made against a defaulting Unit Owner in the amount of his award, or the amount of that award shall be set off against the sums hereafter made payable to that Owner.

- 16.2 Determination Whether to Continue Condominium. Whether the Condominium will be continued after condemnation will be determined in the manner provided for determining whether damaged property will be reconstructed and repaired after casualty. For this purpose, the taking by eminent domain also shall be deemed to be a casualty.
- 16.3 Disbursement of Funds. If the Condominium is terminated after condemnation, the proceeds of the awards and special Assessments will be deemed to be insurance proceeds and shall be owned and distributed in the manner provided with respect to the ownership and distribution of insurance proceeds if the Condominium is terminated after a casualty. If the Condominium is not terminated after condemnation, the size of the Condominium will be reduced and the property damaged by the taking will be made usable in the manner provided below. The proceeds of the awards and special Assessments shall be used for these purposes and shall be disbursed in the manner provided for disbursement of funds by the Insurance Trustee (if appointed) after a casualty, or as elsewhere in this Section 16 specifically provided.
- 16.4 Unit Reduced but Habitable. If the taking reduces the size of a Unit and the remaining portion of the Unit can be made habitable (in the sole opinion of the Association), the award for the taking of a portion of the Unit shall be used for the following purposes in the order stated and the following changes shall be made to the Condominium:
- (a) Restoration of Unit. The Unit shall be made habitable. If the cost of the restoration exceeds the amount of the award, the additional funds required shall be charged to and paid by the Owner of the Unit.
  - (b) Distribution of Surplus. The balance of the award in respect of the Unit, if any, shall be distributed to the Owner of the Unit and to each mortgagee of the Unit, the remittance being made payable jointly to the Owner and such mortgagees.
  - (c) Adjustment of Shares in Common Elements. If the floor area of the Unit is reduced by the taking, the percentage representing the share in the Common elements and of the Common Expenses and Common Surplus appurtenant to the Unit shall be reduced by multiplying the percentage of the applicable Unit prior to reduction by a fraction, the numerator of which shall be the area in square feet of the Unit after the taking and the denominator of which shall be the area in square feet of the Unit before the taking. The shares of all Unit Owners in the Common Elements, Common Expenses and Common Surplus shall then be restated as follows:
    - (i) Add the total of all percentages of all Units after reduction as aforesaid (the "Remaining Percentage Balance"); and
    - (ii) divide each percentage for each Unit after reduction as aforesaid by the Remaining Percentage Balance.

The result of such division for each Unit shall be the adjusted percentage for such Unit.

- 16.5 Unit Made Uninhabitable. If the taking is of the entire Unit or so reduces the size of a Unit that cannot be made habitable (in the sole opinion of the Association), the award for the taking of the Unit shall be used for the following purposes in the order stated and the following changes shall be made to the Condominium:
- (a) Payment of Award. The awards shall be paid first to the applicable Institutional First Mortgagees in amounts sufficient to payoff their mortgages in connection with each Unit which is not so habitable; second, to the Association for any due

and unpaid Assessments: third, jointly to the affected Unit Owners and other mortgagees of their Units. In no event shall the total of such distributions in respect of a specific Unit exceed the market value of such Unit immediately prior to the taking. The balance, if any, shall be applied to repairing and replacing the Common Elements.

- (b) Addition to Common Elements. The remaining portion of the Unit, if any, shall become part of the Common Elements and shall be placed in a condition allowing, to the extent possible, for use by all of the Unit Owners in the manner approved by the Board of Directors of the Association; provided that if the cost of the work therefore shall exceed the balance of the fund from the award for the taking, such work shall be approved in the manner elsewhere required for capital improvements to the Common Elements.
- (c) Adjustment of Shares. The shares in the Common Elements, Common Expenses and Common Surplus appurtenant to the Units that continue as part of the Condominium shall be adjusted to distribute the shares in the Common Elements, Common Expenses and Common Surplus among the reduced number of Unit Owners (and among reduced Units). This shall be effected by restating the shares of continuing Unit Owners as follows:
  - (i) Add the total of all percentages of all Units of continuing Owners prior to this adjustment, but after any adjustments made necessary by Subsection 16.4(c) hereof (the "Percentage Balance"); and
  - (ii) divide the percentage of each Unit of a continuing Owner prior to this adjustment, but after any adjustments made necessary by Subsection 16.4(c) hereof, by the Percentage Balance. The result of such division for each Unit shall be the adjusted percentage for such Unit.
- (d) Assessments. If the balance of the award (after payments to the Unit Owner and such Owner's mortgagees as above provided) for the taking is not sufficient to alter the remaining portion of the Unit for use as a part of the Common Elements, the additional funds required for such purposes shall be raised by Assessments against all of the Unit Owners who will continue as Owners of Units after the changes in the Condominium effected by the taking. The Assessments shall be made in proportion to the applicable percentage shares of those Owners after all adjustments to such shares effected pursuant hereto by reason of the taking.
- (e) Arbitration. If the market value of a Unit prior to the taking cannot be determined by agreement between the Unit Owner and mortgagees of the Unit and the Association within 30 days after notice of a dispute by any affected party, such value shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the Unit. A judgment upon the decision rendered by the arbitrators may be entered in any court of competent jurisdiction in accordance with the Florida Arbitration Code. The cost of arbitration proceedings shall be assessed against all Unit Owners, including Owners who will not continue after the taking, in proportion to the applicable percentage shares of such Owners as they exist prior to the adjustments to such shares effected pursuant hereto by reason of the taking. Notwithstanding the foregoing, nothing contained herein shall limit or abridge the remedies of Unit Owners provided in Sections 718.303 and 718.506, F.S.

16.6 Taking of Common Elements. Awards for the taking of Common Elements shall be used to render the remaining portion of the Common Elements usable in the manner approved by the Board of Directors of the Association; provided, that if the cost of such work shall exceed the balance of the funds from the awards for the taking, the work shall be approved in the manner elsewhere required for Capital Improvements to the Common Elements. The balance of the awards for the taking of Common Elements, if any, shall be distributed to the Unit Owners in the shares in which they own the Common Elements after adjustments to these shares effected pursuant hereto by reason of the taking. If there is a mortgage on a Unit, the distribution shall be paid jointly to the Owner and the mortgagees of the Unit.

- 16.7 Amendment of Declaration. The changes in Units, in the Common Elements and in the ownership of the Common Elements and share in the Common Expenses and Common Surplus that are effected by the taking shall be evidenced by an amendment to this Declaration of Condominium that is only required to be approved by, and executed upon the direction of, a majority of all Directors of the Association.
17. Occupancy and Use Restrictions. In order to provide for congenial occupancy of the Condominium and Association Property and for the protection of the values of the Units, the use of the Condominium Property shall be restricted to and shall be in accordance with the following provisions:
- 17.1 Occupancy. Each Unit shall be used as a residence except as otherwise herein expressly provided, all in accordance with all applicable County and state codes, ordinances and regulations. The provisions of this Subsection 17.1 shall not be applicable to Units used by the Developer, which it has the authority to do without Unit Owner consent or approval, and without payment of consideration, for model apartments, guest suites, sales, re-sales and/or leasing offices and/or for the provision of management construction, development and/or financial services.
- 17.2 Children. Children shall be permitted to be occupants of Units.
- 17.3 Pet Restrictions. Domesticated dogs or cats may be maintained in a Unit provided such pets are: (a) permitted to be so kept by applicable laws and regulations, (b) not left unattended on balconies, terraces, patios or in lanai areas, (c) carried or leashed at all times when on the Common Elements and/or Association Property, (d) generally, not a nuisance to residents of other Units or of neighboring buildings and (e) not a pit bull or other breed considered to be dangerous by the Board of Directors; provided that neither the Board nor the Association shall be liable for any personal injury, death or property damage resulting from a violation of the foregoing and any occupant of a Unit committing such a violation shall fully indemnify and hold harmless the Board of Directors, the Developer, each Unit Owner, the Association and the Association in such regard. Unit Owners must pick up all solid wastes of their pets and dispose of such wastes appropriately. All pets (including cats) must be kept on a leash of a length that affords reasonable control over the pet at all times when outside the Unit or enclosed patio. Any landscaping damage or other damage to the Common Elements caused by a Unit Owner's pet must be promptly repaired by the Unit Owner. The Association retains the right to effect said repairs and charge the Unit Owner therefore. Pets shall only be walked or taken upon those portions of the Common Elements designated by the Association, if any, from time to time for such purposes. Pets shall only be in the hallways of the Building as a means of direct ingress or egress to and from its Owner's Unit and the exterior of the Building. Without limiting the generality of Section 18 hereof, a violation of the provisions of this paragraph shall entitle the Association to all of its rights and remedies, including, but not limited to, the right to fine Unit Owners (as provided in the By-Laws and any applicable rules and regulations) and/or to require any pet to be permanently removed from the Condominium Property.
- 17.4 Alterations. Without limiting the generality of Subsection 9.1 hereof, no Unit Owner shall cause or allow improvements or changes to any Unit, Limited Common Elements appurtenant thereto, Common Elements or Association Property, including, but not limited to, painting or other decorating of any nature, installing any electrical wiring, television antenna, satellite dishes, electronic devices, transmitting and/or receiving equipment, machinery, or air-conditioning units, which in any manner change the appearance of any portion of the Building, without obtaining the prior written consent of the Association (in the manner specified in Subsection 9.1 hereof). Curtains, blinds, shutters, levelers, or draperies or linings thereof, which face the exterior windows or glass doors of Units shall be white or off-white in color and shall be subject to disapproval by the Association, in which case they shall be removed and replace by the Unit Owner with items acceptable to the Association.
- 17.5 Use of Common Elements and Association Property. The Common Elements and Association Property shall be used only for furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of Units. In that regard, each Unit Owner, by acceptance of a deed for a Unit, thereby covenants and agrees that it is the intention of the Developer that the stairwells of the Building are intended for ingress and egress in the event of emergency only, and as

such are constructed and left unfinished solely as to be functional for said purpose, without regard to the aesthetic appearance of said stairwells. Similarly, the garage and utility pipes serving the Condominium are Intended solely for functional purposes, and as such will be left unfinished without regard to the aesthetic appearance of same. The foregoing is not intended to prohibit the use of the stairwells, garage, and utility pipes for any other purpose.

- 17.6 Nuisances. No nuisances (as defined by the Association) shall be allowed on the Condominium or Association Property, nor shall any use or practice be allowed which is a source of annoyance to occupants of Units or which interferes with the peaceful possession or proper use of the Condominium and/or Association Property by its residents, occupants or members. No activity specifically permitted by this Declaration or the Covenants shall be deemed a nuisance.
- 17.7 No Improper Uses. No improper, offensive, hazardous or unlawful use shall be made of the Condominium or Association Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereover shall be observed. Violations of laws, orders, rules, regulation or requirements of any governmental agency having jurisdiction thereover, relating to any portion of the Condominium and/or Association Property, shall be corrected by, and at the sole expense of, the party obligated to maintain or repair such portion of the Condominium Property, as elsewhere herein set forth. Notwithstanding the forgoing and any provisions of this Declaration, the Articles of Incorporation or By Laws, the Association shall not be liable to any person(s) for its failure to enforce the provisions of this Subsection 17.7. No activity specifically permitted by this Declaration shall be deemed to be a violation of this Section 17.7.
- 17.8 Leases. No portion of a Unit, other than an entire Unit, may be rented. Each lease shall be in writing and shall specifically provide that the Association shall have the right to terminate the lease upon default by the tenant in observing any of the provisions of this Declaration, the Articles of Incorporation or By-laws of the Association, or other applicable provisions of any agreement, document or Instrument governing the Condominium or administered by the Association. Leasing of Units shall be subject to the prior approval of the Association, provided, however, that (i) the Association must receive notice of the leasing of a Unit not less than five (5) days prior to the commencement of the lease term, together with a copy of the applicable lease; and (ii) no lease shall be valid if the lessor is delinquent in the payment of Assessments to the Association or becomes delinquent during the lease term or has an outstanding fine or incurs a fine which is not paid within five days following the adoption of same. No lease of a Unit shall be for a period of less than six (6) months and there shall be no more than two (2) leases of a Unit in any calendar year (i.e., not more than two (2) leases shall commence during any calendar year).

Every lease of a Unit shall specifically provide (or, if it does not, shall be automatically deemed to provide) that a material condition of the lease shall be the tenant's full compliance with the covenants, terms, conditions and restrictions of this Declaration (and all Exhibits hereto) and with any and all rules and regulations adopted by the Association from time to time (before or after the execution of the lease). The Unit Owner will be jointly and severally liable with the tenant to the Association for any amount which is required by the Association to repair any damage to the Common Elements resulting from acts or omissions of tenants (as determined in the sole discretion of the Association) and to pay any claim for injury or damage to property caused by the negligence of the tenant and special Assessments may be levied against the Unit therefore. All leases are hereby made subordinate to any lien filed by the Condominium Association, whether prior or subsequent to such lease. If so required by the Association, any tenant leasing a Unit may be required to place in escrow with the Association a reasonable sum, not to exceed the equivalent of one month's rental, which may be used by the Association to repair any damage to the Common Elements and/or Association Property resulting from acts or omissions of tenants (as determined in the sole discretion of the Association). Payment of interest, claims against the deposit, refunds and disputes regarding the disposition of the deposit shall be handled in the same fashion as provided in Part II of Chapter 83, Florida Statutes.

When a Unit is leased, a tenant shall have all use rights in Association Property and those Common Elements otherwise readily available for use generally by the Unit

Owner, and the Owner of the leased Unit shall not have such rights, except as a guest, unless such rights are waived in writing by the tenant. Nothing herein shall interfere with the access rights of the Unit Owner as a landlord pursuant to Chapter 83, Florida Statutes. The Association shall have the right to adopt rules to prohibit dual usage by a Unit Owner and a tenant of Association Property and Common Elements otherwise readily available for use generally by Owners.

- 17.9 Weight, Sound and other Restrictions. Unless installed by the Developer or meeting the sound insulation specifications established from time to time by the Board, hard and/or heavy surface floor coverings, such as tile, marble, wood, and the like will be permitted only in foyers, kitchens and bathrooms. Even once approved by the Board, the installation of insulation materials shall be performed in a manner that provides proper mechanical isolation of the flooring materials from any rigid part of the building structure, whether of the concrete sub floor (vertical transmission) or adjacent walls and fittings (horizontal transmission) and must be installed prior to the Unit being occupied. Additionally, the floor coverings (and insulation and adhesive material therefore) installed on any balcony, terrace, patio and/or lanais shall not exceed a thickness that will result in the finish level of the balconies, terraces, patios and/or lanais being above the bottom of the scuppers or diminish the required height of the rails (as established by the applicable building code). Also, the installation of any improvement or heavy object must be submitted to and approved by the Board, and be compatible with the overall structural design of the building. All areas within a Unit other than foyers, kitchens and bathrooms, unless to receive floor covering approved by the Board, are to receive sound absorbent, less dense floor coverings, such as carpeting or hard surface floor coverings meeting the specifications described above. The Board will have the right to specify the exact material to be used on balconies, terraces, patios and/or lanais. Any use guidelines set forth by the Association shall be consistent with good design practices for the waterproofing and overall structural design of the Building. Owners will be held strictly liable for violations of these restrictions and for all damages resulting therefrom and the Association has the right to require immediate removal of violations. Applicable warranties of the Developer, if any, shall be voided by violations of these restrictions and requirements. Each Owner agrees that sound transmission in a one-story building such as the Condominium is very difficult to control, and that noises from adjoining or nearby Units and/or mechanical equipment can often be heard in another Unit. The Developer does not make any representation or warranty as to the level of sound transmission between and among Units and the other portions of the Condominium Property, and each Owner shall be deemed to waive and expressly release any such warranty and claim for loss or damages resulting from sound transmission.

Notwithstanding anything herein contained to the contrary, the installation of insulation under hard surface floor coverings shall not be required for any Unit that is not located above another Unit or above Common Elements that may reasonably be considered by the Board to be areas of general circulation (e.g. lobbies, hallways, mailrooms, if any, etc.), and/or recreational areas. Accordingly, if a Unit has no improvements below it, or only the parking garage or a mechanical room below it shall not be required to install insulation under hard surface floor coverings.

- 17.10 Mitigation of Dampness and Humidity. No Unit Owner shall install, within his or her Unit, or upon the Common Elements or Association Property, non-breathable wall-coverings or low-permeance paints. Additionally, any and all built-in casework, furniture, and or shelving in a Unit must be installed over floor coverings to allow air space and air movement and shall not be installed with backboards flush against any gypsum board wall. Additionally, all Unit Owners, whether or not occupying the Unit shall periodically run the air conditioning system to maintain the Unit temperature, whether or not occupied, at 78°F, to minimize humidity in the Unit. Leaks, leaving exterior doors or windows open, wet flooring and moisture will contribute to the growth of mold, mildew, fungus or spores. Each Unit Owner, by acceptance of a deed, or otherwise acquiring title to a Unit, shall be deemed to have agreed that Developer is not responsible, and hereby disclaims any responsibility for any illness or allergic reactions which may be experienced by the Unit Owner, its family members and/or its or their guests, tenants and invitees as a result of mold, mildew, fungus or spores: It is the Unit Owner's responsibility to keep the Unit clean, dry, well-ventilated and free of contamination. While the foregoing are intended to minimize the potential development of molds, fungi, Mildew and other mycotoxins, each Owner understands and agrees that there is no method for completely

eliminating the development of molds or mycotoxins. The Developer does not make any representations or warranties regarding the existence or development of molds or mycotoxins and each Owner shall be deemed to waive and expressly release any such warranty and claim for loss or damages resulting from the existence and/or development of same. In furtherance of the rights of the Association as set forth in Section 11.1(a) above, in the event that the Association reasonably believes that the provisions of this Section 17.10 are not being complied with, then, the Association shall have the right (but not the obligation) to enter the Unit (without requiring the consent of the Owner or any other party) to turn on the air conditioning in an effort to cause the temperature of the Unit to be maintained as required hereby (with all utility consumption costs to be paid and assumed by the Unit Owner). To the extent that electric service is not then available to the Unit, the Association shall have the further right but not the obligation (without requiring the consent of the Owner or any other party) to connect electric service to the Unit (with the costs thereof to be borne by the Unit Owner or if advanced by the Association to be promptly reimbursed by the Owner to the Association, with all such costs to be deemed Charges hereunder).

- 17.11 Exterior Improvements. Without limiting the generality of Subsections 9.1 or 17.4 hereof, but subject to any provision of this Declaration specifically permitting same. No Unit Owner shall cause anything to be affixed or attached to, hung, displayed or placed on the exterior walls, doors, balconies or windows of the Building (including, but not limited to, awnings, signs, storm shutters, satellite dishes, screens, window tinting, furniture, fixtures and equipment), without the prior written consent of the Association. Notwithstanding the foregoing, any Unit Owner may display one portable removable United States flag in a respectful way, and, on Armed Forces Day, Memorial Day, Flag Day, Independence Day and Veterans Day, may display in a respectful way portable, removable official flags, not larger than 4 ½ feet by 6 feet, that represent the United States Army, Navy, Air Force, Marine Corps or Coast Guard.
- 17.12 Association Access to Units. In order to facilitate access to Units by the Association for the purposes enumerated subsection 11.1 (a) hereof, it shall be the responsibility of all Unit Owners to deliver a set of keys to their respective Units (or to otherwise make access available) to the Association for use in the performance of its functions. No Unit Owner shall change the locks to his or her Unit (or otherwise preclude access to the Association) without so notifying the Association and delivering to the Association a new set of keys (or otherwise affording access) to such Unit.
- 17.13 Exterior Storm Shutters. The Board of Directors shall, from time to time, establish exterior storm shutter specifications, which comply with the applicable building code, and establish permitted colors, styles and materials for exterior storm shutters. Subject to the provisions of Subsection 9.1 above, the Association shall approve the installation or replacement of exterior storm shutters conforming with the Board's specifications. The Board may, with the approval of a majority of the voting interests in the Condominium, install exterior storm shutters, and may (without requiring approval of the membership) maintain, repair or replace such approved shutters, whether on or within Common Elements, Limited Common Elements, Units or Association Property; provided, however, that if laminated glass, in accordance with all applicable building codes and standards, architecturally designed to serve as hurricane protection, is installed, the Board may not install exterior storm shutters in accordance with this provision. All shutters shall remain open unless and until a storm watch or storm warning is announced by the National Weather Center or other recognized weather forecaster. A Unit owner or occupant who plans to be absent during all or any portion of the hurricane season must prepare his or her Unit prior to his or her departure by designating a responsible firm or individual to care for his or her Unit should a hurricane threaten the Unit or should the Unit suffer hurricane damage, and furnishing the Association with the name(s) of such firm or individual.

To the extent that Developer provides exterior storm shutters for any portions of the Building (which it is not obligated to do) or if the Association obtains exterior storm shutters for any portions of the Building, the Association shall be solely responsible for the installation of such exterior storm shutters from time to time and the costs associated therewith shall be deemed a part of the Common Expenses of the Condominium that are included in the Assessments payable by Unit Owners. The obligations of the Association assumed hereby shall include, without limitation, development of appropriate plans to allow for the timely installation of the shutters,

and all obligations with respect to the repair, replacement and/or upgrade of the shutters. Developer shall have no obligations with respect to the installation of the shutters, and/or for the repair, replacement and/or upgrade of the shutters.

17.14 Relief by Association. The Association shall have the power (but not the obligation) to grant relief in particular circumstances from the provisions of specific restrictions contained in this Section 17 for good cause shown.

17.15 Effect on Developer. Subject to the following exceptions, the restrictions and limitations set forth in this Section 17 shall not apply to the Developer nor to Units owned by the Developer. The Developer shall not be exempt from the restrictions, if any, relating to requirements that leases or lessees be approved by the Association, pet restrictions, occupancy of Units based on age and vehicular restrictions, except as such vehicular restrictions relate to the Developer's construction, maintenance and marketing activities, which activities the Developer can perform without the prior consent of the Unit Owners

17.16 Cumulative with Restrictions of Covenants. The foregoing restrictions shall be in addition to, cumulative with, and not in derogation of those set forth in the Covenants.

17.17 Commercial Usage. No "Residential Condominium" Unit, whether owned or leased, may be used to conduct any trade or business, the conduct of which would require the license or certification from any municipal, county, state or federal agency or licensing authority.

18. Compliance and Default. The Association, each Unit Owner, occupant of a Unit, tenant and other invitee of a Unit Owner shall be governed by and shall comply with the terms of this Declaration, the Covenants and all exhibits annexed hereto and the rules and regulations adopted pursuant to those documents, as the same may be amended from time to time and the provisions of all of such documents shall be deemed incorporated into any lease of a Unit whether or not expressly stated in such lease. The Association (and Unit Owners, if appropriate) shall be entitled to the following relief in addition to the remedies provided by the Act:

18.1 Mandatory Non-binding Arbitration of Disputes. Prior to the institution of court litigation, the parties to a Dispute shall petition the Division for nonbinding arbitration. The arbitration shall be conducted according to rules promulgated by the Division and before arbitrators employed by the Division. The filing of a petition for arbitration shall toll the applicable statute of limitation for the applicable

Dispute, until the arbitration proceedings are completed. Any arbitration decision shall be presented to the parties in writing, and shall be deemed final if a complaint for trial de novo is not filed in a court of competent jurisdiction in which the Condominium is located within thirty (30) days following the issuance of the arbitration decision. The prevailing party in the arbitration proceeding shall be awarded the costs of the arbitration, and attorneys' fees and costs incurred in connection with these proceedings. The party who files a complaint for a trial shall be charged the other party's arbitration costs, courts costs and other reasonable costs, including, without limitation, attorneys' fees, investigation expenses and expenses for expert or other testimony or evidence incurred after the arbitration decision, if the judgment upon the trial de novo is not more favorable than the arbitration decision. If the judgment is more favorable, the party who filed a complaint for trial shall be awarded reasonable court costs and attorneys' fees. Any party to an arbitration proceeding may enforce an arbitration award by filing a petition in a court of competent jurisdiction in which the Condominium is located. A petition may not be granted unless the time for appeal by the filing of a complaint for a trial has expired. If a complaint for a trial has been filed, a petition may not be granted with respect to an arbitration award that has been stayed. If the petition is granted, the petitioner may recover reasonable attorneys fees and costs incurred in enforcing the arbitration award.

18.2 Negligence and Compliance. A Unit Owner and/or tenant of a Unit shall be liable for the expense of any maintenance, repair or replacement made necessary by his negligence or by that of any member of his family or his or their guests, employees, agents or lessees, but only to the extent such expense is not met by the proceeds of

Insurance actually collected in respect of such negligence by the Association. In the event a Unit Owner, tenant or occupant fails to maintain a Unit or fails to cause such Unit to be maintained, or fails to observe and perform all of the provisions of the Declaration, the By-laws, the Articles of Incorporation of the Association applicable rules and regulations, or any other agreement, document or instrument affecting the Condominium Property or administered by the Association. In the manner required, the Association shall have the right to proceed in equity to require performance and/or compliance to impose any applicable fines (in accordance with the provisions of Section 18.3 below), to sue at law for damages and to charge the Unit Owner for the sums necessary to do whatever work is required to put the Unit Owner or Unit in compliance, provided however, that nothing contained in this Subsection 18.2 shall authorize the Association to enter a Unit to enforce compliance. In any proceeding arising because of an alleged failure of a Unit Owner, a tenant or the Association to comply with the requirements of the Act, this Declaration, the exhibits annexed hereto, or the rules and regulations adopted pursuant to said documents, as the same may be amended from time to time, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorneys' fees (including appellate attorneys' fees). A Unit Owner prevailing in an action with the Association in addition to recovering his reasonable attorneys' fees, may recover additional amounts as determined by the court to be necessary to reimburse the Unit Owner for his share of Assessments levied by the Association to fund its expenses of the litigation.

18.3 Fines. A reasonable fine or fines may be imposed upon an Owner for failure of an Owner, his family, guests, invitees, lessees or employees, to comply with any provision of the declaration, the association bylaws, or reasonable rules of the association, provided the following procedures are adhered to:

- (a) Notice: The party against whom the fine is sought to be levied shall be afforded an opportunity for hearing after reasonable notice and opportunity for a hearing to the unit owner and, if applicable, its licensee or invitee.
- (b) Hearing: The noncompliance shall be presented to a committee of other Unit Owners, who shall hear reasons why penalties should not be imposed. The party against whom the fine may be levied shall have an opportunity to respond, to present evidence, and to provide written and oral argument on all issues involved and shall have an opportunity at the hearing to review, challenge, and respond to any material considered by the committee. A written decision of the committee shall be submitted to the Owner or occupant by not later than twenty-one (21) days after title meeting. If the committee does not agree with the fine, the fine may not be levied.
- (c) Fines: The Board of Directors may impose fines against the applicable Unit up to the maximum amount permitted by law from time to time. At the time of the recordation of this Declaration, the Act provides that no fine may exceed \$100.00 per violation, or \$1,000.00 in the aggregate.
- (d) Violations: Each separate incident, which is grounds for a fine, shall be the basis of one separate fine. In the case of continuing violations, each continuation of the same after a notice thereof is given, shall be deemed a separate incident.
- (e) Payment of Fines: Fines shall be paid not later than thirty (30) days after notice of the imposition thereof.
- (f) Application of Fines: All monies received from fines shall be allocated as directed by the Board of Directors.
- (g) Non-exclusive Remedy: The fines shall not be construed to be exclusive and shall exist in addition to all other rights and remedies to which the Association may be otherwise legally entitled; however, any penalty paid by the offending Owner or occupant shall be deducted from or offset against any damages which the Association may otherwise be entitled to recover by law from such Owner or occupant.

19. Termination of Condominium. The Condominium shall continue until (a) terminated by casualty loss, condemnation or eminent domain, as more particularly provided in this Declaration, or (b) such time as withdrawal of the Condominium Property from the provisions

of the Act is authorized by a vote of Owners owning at least 80% of the applicable interests in the Common Elements and by the Institutional First Mortgagees of Units to which at least sixty-seven percent (67%) of the voting interests of Units subject to mortgages held by Institutional First Mortgagees are appurtenant. In the event such withdrawal is authorized as aforesaid, and provided that the Board first notifies the Division of an intended withdrawal, the Condominium Property shall be subject to an action for partition by any Unit Owner, mortgagee or lienor as if owned in common in which event the net proceeds of the partition sale shall be divided among all Unit owners in proportion to their respective interests in the Common Elements provided, however, that no payment shall be made to a Unit Owner until there has first been paid off out of his share of such net proceeds all mortgages and liens on his Unit in the order of their priority. The termination of the condominium, as aforesaid, shall be evidenced by a certificate of the Association executed by its President and Secretary certifying as to the basis of the termination and said certificate shall be recorded among the public records of the County. The Association shall, within thirty (30) business days following such recordation, provide the Division with a copy of such recorded certificate.

20. Additional Rights of Mortgagees and Others.

20.1 Availability of Association Documents. The Association shall have current and updated copies of the following available for inspection by Institutional First Mortgagees during normal business hours or under other reasonable circumstances as determined by the Board: (a) this Declaration; (b) the Articles; (c) the By-Laws; (d) the rules and regulations of the Association; and (e) the books, records and financial statements of the Association.

20.2 Amendments. Subject to the other provisions of this Declaration and except as provided elsewhere to the contrary, an amendment directly affecting any of the following shall require the approval of a Majority of Institutional First Mortgagees: (a) voting rights; (b) increases in assessments by more than 25% over the previous assessment amount, assessment liens or the priority of assessment liens; (c) reductions in reserves for maintenance, repair and replacement of Common Elements and/or Association Properties; (d) responsibility for maintenance and repairs; (e) reallocation of interests in the Common Elements (including Limited Common Elements) or rights to their use; (f) redefinition of Unit boundaries; (g) conversion of Units into Common Elements or Common Elements into Units; (h) expansion or contraction of the Condominium; (i) hazard or fidelity insurance requirements; (j) imposition of restrictions on leasing of units; (k) imposition of restrictions on the selling or transferring of title to Units; (l) restoration or repair of the Condominium after a casualty or partial condemnation; (m) any action to terminate the Condominium after casualty or condemnation; and (n) any provision that expressly benefits mortgagee holders, insurers or guarantors as a class. In accordance with Section 718.110(11), Florida Statutes, any consent required of a mortgagee may not be unreasonably withheld.

20.3 Amendments. Any holder, insurer or guarantor of a mortgage on a Unit shall have, if first requested in writing from the Association, the right to timely written notice of:

(a) any condemnation or casualty loss affecting a material portion of the Condominium and/or Association Property or the affected mortgaged Unit;

(b) a sixty (60) day delinquency in the payment of the Assessments on a mortgaged Unit;

(c) the occurrence of a lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association;

(d) any proposed action which requires the consent of a specified number of mortgage holders.

20.4 Additional Rights. Institutional First Mortgagees shall have the right, upon written request to the Association, to: (a) receive a copy of an audited financial statement of the Association for the immediately preceding fiscal year if such statements were prepared; and (b) receive notices of and attend Association meetings.

21. Covenant Running With the land. All provisions of this Declaration, the Articles, By-laws and applicable rules and regulations of the Association, as well as those of the Covenants, shall,

to the extent applicable and unless otherwise expressly herein or therein provided to the contrary, be perpetual and be construed to be covenants running with the land and with every part thereof and interest therein, and all of the provisions hereof and thereof shall be binding upon and inure to the benefit of the Developer and subsequent owner(s) of the Land or any part thereof, or interest therein, and their respective heirs, personal representatives, successors and assigns, but the same are not intended to create nor shall they be construed as creating any rights in or for the benefit of the general public. All present and future Unit Owners, tenants and occupants of Units shall be subject to and shall comply with the provisions of this Declaration, the Articles, By-laws and applicable rules and regulations, as well as those of the Covenants, all as they may be amended from time to time. The acceptance of a deed or conveyance, or the entering into of a lease, or the entering into occupancy of any Unit, shall constitute an adoption and ratification of the provisions of this Declaration, and the Articles, By-laws and applicable rules and regulations of the Association, the Covenants, all as they may be amended from time to time, including, but not limited to, a ratification of any appointments of attorneys-in-fact contained herein.

22. The Master Association. This Condominium is not part of a larger master community.
23. Disclaimer of Warranties. Developer has elected to warrant the improvements solely to the extent provided in Section 718.618 Florida Statutes. Except only for those warranties provided in Section 718.618, Florida Statutes (and only to the extent applicable and not yet expired), and those of Section 718.203, Florida Statutes (to the extent applicable and not yet expired), to the maximum extent lawful Developer hereby disclaims any and all and each and every express or implied warranties, whether established by statutory, common, case law or otherwise, as to the design, construction, sound and/or odor transmission, existence and/or development of molds, mildew, toxins or fungi, furnishing and equipping of the Condominium Property, including, without limitation, any implied warranties of habitability, fitness for a particular purpose or merchantability, compliance with plans, all warranties imposed by statute (other than those imposed by Sections 718.618 and 718.203, Florida Statutes, and then only to the extent applicable and not yet expired) and all other express and implied warranties of any kind or character. Developer has not given and the Unit Owner has not relied on or bargained for any such warranties. Each Unit Owner, by accepting a deed to a Unit, or other conveyance thereof, shall be deemed to represent and warrant to Developer that in deciding to acquire the Unit, the Unit Owner relied solely on such Unit Owner's independent inspection of the Unit and the Condominium inspection reports included in the Prospectus. The Unit Owner has not received nor relied on any warranties and/or representations from Developer of any kind, other than as expressly provided herein.

As to any implied warranty which cannot be disclaimed entirely, all secondary, incidental and consequential damages are specifically excluded and disclaimed (claims for such secondary, incidental and consequential damages being clearly unavailable in the case of implied warranties which are disclaimed entirely above).

Further, given the climate and humid conditions in Florida, molds, mildew, toxins, and fungi may exist and/or develop within the unit and/or the condominium property. Each owner is hereby advised that certain molds, mildew, toxins and/or fungi may be, or if allowed to remain for a sufficient period may become, toxic and potentially pose a health risk. By acquiring title to a Unit, each Owner shall be deemed to have assumed the risks associated with molds, mildew, toxins and/or fungi and to have released the Developer from any and all liability resulting from same, including, without limitation, any liability for incidental or consequential damages (which may result from, without limitation, the inability to possess the Unit, inconvenience, moving costs, hotel costs, storage costs, loss of time, lost wages, lost opportunities and/or personal injury). Without limiting the generality of the foregoing, leaks, wet flooring and moisture will contribute to the growth of mold, mildew, fungus or spores. Each Unit Owner, by acceptance of a deed, or otherwise acquiring title to a Unit, shall be deemed to have agreed that Developer is not responsible, and hereby disclaims any responsibility for any illness or allergic reactions which may be experienced by the unit Owner, its family members and/or its or their guests, tenants and invitees as a result of mold, mildew, fungus or spores. It is the Unit Owners responsibility to keep the Unit clean, dry, well ventilated and free of contamination.

Each Owner understands and agrees that for some time in the future, it, and its guests, tenants and invitees may be disturbed by the noise, commotion and other unpleasant effects of nearby construction activity and as a result Owner and its guests, tenants and invitees may be Impeded In using portions of the Condominium Property by that activity. Because the Condominium is located in an urban area, demolition or construction of buildings and other

structures within the immediate area or within the view lines of any particular Unit or of any part of the Condominium (the "Views") may block, obstruct, shadow or otherwise affect Views, which may currently be visible from the Unit or from the Condominium. Therefore, each Owner, for itself, its successors and assigns, agrees to release Developer, its partners and its and their officers, members, directors and employees and every affiliate and person related or affiliated in any way with any of them ("Developer's Affiliates") from and against any and all losses, claims, demands, damages, costs and expenses of whatever nature or kind, including attorney's fees and costs, including those incurred through all arbitration and appellate proceedings, related to or arising out of any claim against the Developer or Developer's Affiliates related to Views or the disruption, noise, commotion, and other unpleasant effects of nearby development or construction. As a result of the foregoing, there is no guarantee of view, security, privacy, location, design, density or any other matter.

Lastly, each Owner, by acceptance of a deed or other conveyance of a Unit, understands and agrees that there are various methods for calculating the square footage of a Unit, and that depending on the method of calculation, the quoted square footage of the Unit may not vary by more than a nominal amount. Additionally, as a result of in the field construction, other permitted changes to the Unit, and settling and shifting of improvements, actual square footage of a Unit may also be affected. By accepting title to an Unit, the applicable Owner(s) shall be deemed to have conclusively agreed to accept the size and dimensions of the Unit, regardless of any variances in the square footage from that which may have been disclosed at any time prior to closing, whether included as part of Developer's promotional materials or otherwise. Without limiting the generality of this Section 23, Developer does not make any representation or warranty as to the actual size, dimensions (including ceiling heights) or square footage of any Unit, and each Owner shall be deemed to have fully waived and released any such warranty and claims for losses or damages resulting from any variances between any represented or otherwise disclosed square footage and the actual square footage of the Unit.

- 24.10 Execution of Documents: Attorney-in-fact. Without limiting the generality of other Sections of this Declaration and without such other Sections limiting the generality hereof, each Owner, by reason of the acceptance of a deed to such Owner's Unit hereby agrees to execute, at the request of the Developer, all documents or consents which may be required by all governmental agencies to allow the Developer and its affiliates to complete the plan of development of the Condominium as such plan may be hereafter amended, and each such Owner further appoints hereby and thereby the Developer as such Owner's agent and attorney-in-fact to execute, on behalf and in the name of such Owners, any and all of such documents or consents. Where a contract for purchase, lease or renting materials or equipment or for the provision of services, requires payment by the Association on behalf of the Condominium in the aggregate exceeding \$5,000.00, the Association shall obtain competitive bids for the materials, equipment or services. Nothing contained herein shall be construed to require the Association to accept the lowest bid. Notwithstanding the foregoing, contracts with employees of the Association and contracts for attorney, accountant, architect, community association manager, engineering and landscape architect services shall not be subject to the provisions hereof. Further, nothing contained herein is intended to limit the ability of The Association to obtain needed products and services in an emergency; nor shall the provisions hereof apply if the business entity with which the Association desires to contract is the only source of supply within the County.

6. Officers.

- 6.1 Executive Officers. The executive officers of the Association shall be a President, a Vice-President, a Treasurer and a Secretary (none of whom need be Directors), all of whom shall be elected by the Board of Directors and who may be peremptorily removed at any meeting by concurrence of a majority of all of The Directors. A person may hold more than one office, except that the President may not also be the Secretary. No person shall sign an instrument or perform an act in the capacity of more than one office. The Board of Directors from time to time shall elect such other officers and designate their powers and duties, as the Board shall deem necessary or appropriate to manage the affairs of the Association. Officers, other than designees of the Developer, must be Unit Owners (or authorized representatives of corporate/partnership/trust Unit Owners).
- 6.2 President. The President shall be the chief executive officer of The Association. He shall have all of the powers and duties that are usually vested in the office of president of an association.
- 6.3 Vice-President. The Vice-President shall exercise the powers and perform the duties of the President in the absence or disability of the President. He also shall assist the President and exercise such other powers and perform such other duties as are incident to the office of the vice president of an association and as may be required by the Directors or the President.
- 6.4 Secretary. The Secretary shall keep the minutes of all proceedings of the Directors and the members. The Secretary shall attend to the giving of all notices to the members and Directors and other notices required by law. The Secretary shall have custody of the seal of the Association and shall affix it to instruments requiring the seal when duly signed. The Secretary shall keep the records of the Association, except those of the Treasurer, and shall perform all other duties incident to the office of the Secretary of an Association and as may be required by the Directors or the President.
- 6.5 Treasurer. The Treasurer shall have custody of all property of the Association, including funds, securities and evidences of indebtedness. The Treasurer shall keep books of account for the Association in accordance to good accounting practices, which, together with substantiating papers, and shall be made available to the Board of Directors for examination at reasonable times. The Treasurer shall submit a treasurer's report to the Board of Directors at reasonable intervals and shall perform all other duties incident to the office of Treasurer and as may be required by the Directors and the President. All monies and other valuable effects shall be kept for the benefit of the Association in such depositories as may be designated by a majority of the Board of Directors.

7. Fiduciary Duty. The officers and directors of the Association, as well as any manager employed by the Association, have a fiduciary relationship to the Unit owners. No officer, director or manager shall solicit offer to accept or accept any thing or service of value for which consideration has not been provided for his own benefit or that of his immediate family, from any person providing or proposing to provide goods or services to the Association. Any such officer, director or manager who knowingly so solicits, offers to accept or accepts any thing or service of value shall in addition to all other rights and remedies of the Association and Unit Owners, be subject to a civil penalty in accordance

with the Act. Notwithstanding the foregoing, this paragraph shall not prohibit an officer, director or manager from accepting services of Items received in connection with trade fairs and education programs.

8. Compensation. Neither Directors nor officers shall receive compensation for their services as such, but this provision shall not preclude the Board of Directors from employing a Director or officer as an employee of the Association, nor preclude contracting with a Director or officer for the management of the Condominium or for any other service to be supplied by such Director or officer. Directors and officers shall be compensated for all actual and proper out of pocket expenses relating to the proper discharge of their respective duties.
9. Resignations. Any Director or officer may resign his post at any time by written resignation, delivered to the President or Secretary, which shall take effect upon its receipt unless a later date is specified in the resignation, in which event the resignation shall be effective from such date unless withdrawn. The acceptance of a resignation shall not be required to make it effective. The conveyance of all Units owned by any Director or officer (other than appointees of the Developer or officers who were not Unit owners) shall constitute a written resignation of such Director or officer.
10. Fiscal Management. The provisions for fiscal management of the Association set forth in the Declaration and Articles shall be supplemented by the following provisions:

#### 10.1 Budget

- (a) Adoption by Board: Items. The Board of Directors shall from time to time, and at least annually, prepare a budget for all Condominiums governed and operated by the Association (which shall detail all accounts and items of expense and contain at least all items set forth in Section 718.504(21) of the Act, if applicable), determine the amount of Assessments payable by the Unit owners to meet the expenses of such Condominium(s) and allocate and assess such expenses among the Unit Owners in accordance with the provisions of the Declaration. In addition, if the Association maintains limited common elements with the cost to be shared only by those entitled to use the limited common elements, the budget or a schedule attached thereto shall show amounts budgeted therefore. In addition to annual operating expenses, the budget shall include reserve accounts for capital expenditures and deferred maintenance (to the extent required by law). These accounts shall include, but not be limited to, roof replacement building painting and pavement resurfacing regardless of the amount of deferred maintenance expense or replacement cost and for any other item for which the deferred maintenance expense or replacement cost exceeds \$10,000.00. The amount of reserves shall be computed by means of a formula, which is based upon the estimated remaining useful life and the estimated replacement cost of each reserve item. The Association may adjust replacement and reserve assessments annually to take into account any challenges in estimates or extension of the useful life of a reserve item caused by deferred maintenance. Reserves shall not be required if the members of the Association have, by a majority vote at a duly called meeting of members, determined for a specific fiscal year to provide no reserves or reserves less adequate than required hereby. Prior to transfer of control of the Association to Unit owners other than the Developer, the Developer may vote to waive reserves or reduce the funding of reserves for the first two (2) fiscal years of operation of the Association, beginning with the fiscal year in which the Declaration is recorded, with the vote taken each fiscal year and to be effective for only one annual budget. After which time and until transfer of control of the Association to Unit owners other than the Developer, reserves may only be waived or reduced upon the vote of a majority of all non-Developer voting interests voting in person or by limited proxy at a duly called meeting of the Association. Following transfer of control of the Association to Unit Owners other than the Developer, the Developer may vote its voting interest to waive or reduce the funding of reserves. If a meeting of Unit Owners has been called to determine to provide no reserves or reserves less adequate than required, and such result is not attained or a quorum is not attained, the reserves, as included in the budget, shall go into effect. Reserve funds and any interest accruing thereon shall remain in title reserve at account or accounts, and shall be used only for authorized reserve expenditures, unless their use for any other purposes is approved in advance by a majority vote at a

duly called meeting of the Association. Prior to transfer of control of the Association to Unit Owners other than the Developer, the Association shall not vote to use reserves for purposes other than that for which they were intended without the approval of a majority of all non-Developer voting interests, voting in person or by limited proxy at a duly called meeting of the Association.

The adoption of a budget for the Condominium shall comply with the requirements hereinafter set forth:

- (i) Notice of Meeting. A copy of the proposed budget of Common Expenses shall be hand delivered, mailed or electronically transmitted to each Unit Owner (at the address last furnished to the Association) not less than fourteen (14) days prior to the meeting of the Board of Directors at which the budget will be considered, together with a notice of that meeting indicating the time and place of such meeting. An officer or manager of the Association, or other person providing notice of such meeting, shall execute an affidavit evidencing compliance with such notice requirement and such affidavit shall be filed among the official records of the Association.
  - (ii) Special Membership Meeting. If the Board of Directors adopts in any fiscal year an annual budget which requires assessments against Unit Owners which exceed one hundred fifteen percent (115%) of such Assessments for the preceding fiscal year, the Board of Directors shall conduct a special meeting of the Unit Owners to consider a substitute budget if the Board of Directors receives, within twenty-one (21) days following the adoption of the annual budget, a written request for a special meeting from at least ten percent (10%) of all voting interests. The special meeting shall be conducted within sixty (60) days following the adoption of the annual budget at least fourteen (14) days prior to such special meeting, the Board of Directors shall hand deliver to each Unit Owner, or mail to each Unit Owner at the address last furnished to the Association, a notice of the meeting. An officer or manager of the Association, or other person providing notice of such meeting, shall execute an affidavit evidencing compliance with this notice requirement and such affidavit shall be filed among the official records of the Association. Unit Owners may consider and adopt a substitute budget at the special meeting. A substitute budget is adopted if approved by a majority of all voting interests. If there is not a quorum at the special meeting or a substitute budget is not adopted, the annual budget previously adopted by The Board of Directors shall take effect as scheduled.
  - (iii) Determination of Budget Amount. Any determination of whether assessments exceed one hundred fifteen percent (115%) of assessments for the preceding fiscal year shall exclude any authorized provision for reasonable reserves for repair or replacement of The Condominium Property, and anticipated expenses of the Association which the Board of Directors does not expect to be incurred on a regular or annual basis, or assessments for betterments to the Condominium Property.
  - (iv) Proviso. As long as the Developer is in control of the Board of Directors of the Association, the Board shall not impose Assessments for a year greater than one hundred fifteen percent (115%) of the prior fiscal year assessments, as herein defined, without the approval of a majority of a voting interest.
- (b) Adoption by Membership. In the event that the Board of Directors shall be unable to adopt a budget for a fiscal year in accordance with the requirements of Subsection 10.1(a) above, the Board of Directors may call a special meeting of Unit Owners for the purpose of considering and adopting such budget, which meeting shall be called and held in the manner provided for such special meetings in said subsection, or propose a budget in writing to the members, and if such budget is adopted by the members, upon ratification by a majority of the Board of Directors, it shall become the budget for such year.

10.2 Assessments. Assessments against Unit Owners for their share of the items of the

budget shall be made for the applicable fiscal year annually at least twenty (20) days preceding the year for which the Assessments are made. Such Assessments shall be due in equal installments, payable in advance on the first day of each month (or each quarter at the election of the Board) of the year for which the Assessments are made. If annual Assessments are not made as required, Assessments shall be presumed to have been made in the amount of the last prior Assessments, and monthly (or quarterly) installments on such Assessments shall be due upon each installment payment date unit changed by amended Assessments. In the event the annual Assessments prove to be insufficient, the Board of Directors, subject to the provisions of Section 10.1, may amend the budget and Assessments at any time hereof, if applicable. Unpaid Assessments for the remaining portion of the fiscal year for which amended Assessments are made shall be payable in as many equal installments as there are full months (or Quarters) of the fiscal year left as of the date of such amended Assessments, each such monthly (or quarterly) installment to be paid on the first day of the month (or quarter), commencing the first day of the next ensuing month (or Quarter). If only a partial month (or quarter) remains, the amended Assessments shall be paid with the next regular Installment in the following year unless otherwise directed by the Board in its resolution.

- 10.3 Special Assessments and Assessments for Capital Improvements. Special Assessments and Capital Improvement Assessments (as defined in: The Declaration) shall be levied as provided in the Declaration and shall be paid in such manner as the Board of Directors of the Association may require in the notice of such Assessments. The funds collected pursuant to a Special Assessment shall be used only for the specific purpose or purposes set forth in the notice of adoption of it. However, upon completion of such specific purpose or purposes, any excess funds will be considered Common Surplus, and may, at the discretion of the Board, either be returned to the Unit Owners or applied as a credit towards future assessments.
- 10.4 Depository. The depository of the Association shall be such bank or banks in the State of Florida, which bank or banks must be insured by the FDIC, as shall be designated from time to time by the Directors and in which the monies of the Association shall be deposited. Withdrawal of monies from those accounts shall be made only by checks signed by such person or persons as are authorized by the Directors. All sums collected by the Association from Assessments or otherwise may be commingled in a single fund or divided into more than one fund, as determined by a majority of the Board of Directors. In addition, a separate reserve account should be established for the Association in sum a depository for monies specially designated as reserves for capital expenditures and/or deferred maintenance. Reserve and operating funds of the Association shall not be commingled unless combined for investment purposes, provided that the funds so commingled shall be accounted for separately and the combined account balance of such commingled funds may not at any time, be less than the amount justified as reserve funds in the combined account
- 10.5 Acceleration of Installments Upon Default. If a Unit Owner shall be in default in the payment of an installment upon his Assessments, the Board of Directors or its agent may accelerate the balance of the current budget years' Assessments upon thirty (30) days' prior written notice to the Unit Owner and the filing of a claim of lien, and the then unpaid balance of the current budget years' Assessments shall be due upon the date stated in the notice, but not less than five (5) days after delivery of the notice to the Unit Owner, or not less than ten (10) days after the mailing of such notice to him by certified mail, whichever shall first occur.
- 10.6 Fidelity Insurance or Fidelity Bonds. The Association shall obtain and maintain adequate insurance or fidelity bonding of all persons who control or disburse Association funds, which shall include, without limitation, those individuals authorized to sign Association checks and the president Secretary and Treasurer of the Association. The insurance policy or Fidelity bond shall be in such amount as shall be determined by a majority of the Board, but must be sufficient to cover the maximum funds that will be in the custody of the Association or its management agent at any one time. The Association as a Common Expense shall pay the premiums on such bonds and/or insurance.
- 10.7 Accounting Records and Reports. The Association shall maintain accounting records in the State according to accounting practices normally used by similar associations. The reports shall be open to inspection by Unit Owners or their authorized

representatives at reasonable times and written summaries of them shall be supplied at least annually. The records shall include, but not be limited to, (a) a record of all receipts and expenditures, and (b) an account for each Unit designating the name and current mailing address of the Unit Owner, the amount of Assessment, the dates and amounts in which the Assessments come due, the amount paid upon the account and the dates so paid, and the balance due. Written summaries of the records described in clause (a) above, in the form and manner specified below, shall be supplied to each Unit Owner annually.

Within ninety-days (90) following the end of the fiscal year, the Association shall prepare and complete, or contract for the preparation and completion of a financial report for the preceding fiscal year (the "Financial Report"). Within twenty-One (21) days after the final Financial Report is completed by the Association, or received from a third party, but not later than one hundred twenty (120) days following the end of the fiscal year, the Board shall mail, or furnish by personal delivery a copy of the Financial Report to each Unit Owner, or a notice that a copy of the Financial Report will be mailed or hand delivered to The Unit Owner without charge, upon receipt of a written request from the Unit Owner.

The Financial Report shall be prepared in accordance with the rules adopted by The Division. The type of Financial Report to be prepared shall, unless modified in the manner set forth below, be based upon the Association's total annual revenues, as follows:

- (a) REPORT OF CASH RECEIPTS AND EXPENDITURES- if the Association's revenues are less than \$100,000.00 [or if the Association operates less than fifty (50) Units (regardless of revenue) or if determined by the Board, the Association may prepare any of the reports described in subsections (b), (c) or (d) below in lieu of the report described in this section (a)].
- (b) COMPILED FINANCIAL STATEMENTS- if the Association's revenues are equal to or greater than \$100,000.00, but less than \$200,000.00 [or, if determined by the Board, the Association may prepare any of the reports described in subsections (c) or (d) below in lieu of the report described in this section (b)].
- (c) REVIEWED FINANCIAL STATEMENTS- If the Association's revenues are equal to or greater than \$200,000.00, but less than \$400,000.00 [or, if determined by the Board, the Association may prepare the report described in subsection (d) below in lieu of the report described in this section (c)].
- (d) AUDITED FINANCIAL STATEMENTS- if the Association's revenues are equal to or exceed \$400,000.00.

A report of cash receipts and expenditures must disclose the amount of receipts by accounts and receipt classifications and the amount of expenses by accounts and expense classifications, including, but not limited to, the following, as applicable: costs for security, professional and management fees and expenses, taxes, costs for recreation facilities, expenses for refuse collection and utility services, expenses for lawn care, costs for building maintenance and repair, insurance costs, administration and salary expenses, and reserves accumulated and expended for capital expenditures, deferred maintenance, and any other category for which the association maintains reserves.

If approved by a majority of the voting interests present at a properly called meeting of the Association, the Association may prepare or cause to be prepared: (i) a report of cash receipts and expenditures in lieu of a compiled, reviewed, or audited financial statement; (ii) a report of cash receipts and expenditures or a compiled financial statement in lieu of a reviewed or audited financial statement; or (iii) a report of cash receipts and expenditures, a compiled financial statement or a reviewed financial statement in lieu of an audited financial statement. Such meeting and approval must occur prior to the end of the fiscal year and is effective only for the fiscal year in which the vote is taken. Prior to the time that control of the Association has been turned over to Unit Owners other than the Developer, all Unit Owners, including the Developer, may vote on issues related to the preparation of financial reports for the first two (2) fiscal years of the Association's operation. Thereafter, until control of

the Association has been turned over, to Unit Owners other than the Developer, all Unit Owners except for the Developer may vote on such issues.

- 10.8 Application of Payment. All payments made by a Unit Owner shall be applied as provided in these by laws and in the Declaration or as otherwise determined by the Board.
- 10.9 Notice of Meetings. Notice of any meeting where Assessments against Unit Owners are to be considered for any reason shall specifically contain a statement that Assessments will be considered and the nature of any such Assessments.
11. Roster of Unit Owners. Each Unit Owner shall file with the Association a copy of the deed or other document showing his/her/its ownership. The Association shall maintain such information. The Association may rely upon the accuracy of such information for all purposes until notified in writing of changes therein as provided above. Only Unit Owners of record on the date of notice of any meeting requiring their vote is given shall be entitled to notice of and to vote at such meeting, unless prior to such meeting other Owners shall produce adequate evidence, as provided above, of their interest and shall waive in writing notice of such meeting.
12. Parliamentary Rules. Except when specifically or impliedly waived by the chairman of a meeting (either of members or directors), Robert's Rules of Order (latest edition) shall govern the conduct of the Association meetings when not in conflict with the Act, the Declaration, the Articles or these By-laws; provided, however, that a strict or technical reading of said Robert's Rules shall not be made so as to frustrate the will of the persons properly participating in said meeting.
13. Amendments. Except as may be provided in the Declaration to the contrary, these By-Laws may be amended in the following manner:
- 13.1 Notice. Notice of the subject matter of a proposed amendment shall be included in the notice of a meeting at which a proposed amendment is to be considered.
- 13.2 Adoption. A resolution for the adoption of a proposed amendment may be proposed either by a majority of the Board of Directors or by not less than one third (1/3) of the members of the Association. Directors and members not present in person or by proxy at the meeting considering the amendment may express their approval in writing, but the agreement or disagreement may not be used as a vote for or against the action taken and may not be used for purposes of creating a quorum. The approval must be:
- (a) by not less than a majority of the votes of all members of the Association voting in person or by
  - (b) proxy at a meeting at which a quorum has been attained and by not less than 66 2/3% of the entire Board of Directors; or
  - (c) after control of The Association has been turned over to Unit Owners other than the Developer by not less than 80% of the votes of the members of the Association voting in person or by proxy at a meeting at which a quorum has been attained.
- 13.3 Proviso. No amendment may be adopted which would eliminate, modify, prejudice, abridge or otherwise adversely affect any rights, benefits, privileges or priorities granted or reserved to the Developer or mortgagees of Units without the consent of said Developer and mortgagees in each instance. No amendment shall be made that is in conflict with the Articles or Declaration. No amendment to this Section shall be valid.
- 13.4 Execution and Recording. A copy of each amendment shall be attached to a certificate certifying that the amendment was duly adopted as an amendment of these By-laws, which certificate shall be executed by the President or Vice-President and attested by the Secretary or Assistant Secretary of the Association with the formalities of a deed, or by the Developer alone if the amendments been adopted consistent with the provisions of the Declaration allowing such action by the Developer. The amendment shall be effective when the certificate and a copy of the

amendment is recorded in the Public Records of the County with an identification on the first page of the amendment of the Official Records Book and Page of said Public Records where the Declaration is recorded.

14. Rules and Regulations. Attached hereto as Schedule "A" and made a part hereof are initial rules and regulations concerning the use of portions of the Condominium and Association Property. The Board of Directors may, from time to time, modify, amend or add to such rules and regulations, except that subsequent to the date control of the Board is turned over by the Developer to Unit Owners other than the Developer, Owners of a majority of the Units may overrule the Board with respect to any such modifications, amendments or additions. Copies of such modified, amended or additional rules and regulations shall be furnished by The Board of Directors to each affected Unit Owner not less than thirty (30) days prior to the effective date thereof. At no time may any rule or regulation be adopted which would prejudice the rights reserved to the Developer.
15. Written Inquiries. When a Unit Owner files a written inquiry by certified mail with the Board, the Board shall respond in writing to the Unit Owner within thirty (30) days of receipt of such inquiry and more particularly in the manner set forth in Section 710.112(2)(a) 2, Florida Statutes. The Association may, through its Board, adopt reasonable rules and regulations regarding the frequency and manner of responding to Unit Owner inquiries.
16. Official Records. From the inception of the Association, the Association shall maintain for the condominium, a copy of each of the following; where applicable, which shall constitute the official records of the Association:

The Association shall also maintain the electronic mailing addresses and the numbers designated by Unit Owners for receiving notices sent by electronic transmission of those Unit Owners consenting to receive notice by electronic transmission. The electronic mailing addresses and numbers provided by Unit Owners to receive notice by electronic transmission shall be removed from Association records when consent to receive notice by electronic transmission is revoked. However, the Association shall not be liable for an erroneous disclosure of the electronic mail address or the number for receiving electronic transmission of notices;
  - (h) All current insurance policies of the Association and of all Condominiums operated by the Association;

The official records of The Association shall be open to inspection by any Association member, or the authorized representative of such member and shall be made available to a Unit Owner within five (5) working days after receipt of the written request by the board or its designees. The right to inspect the records includes the right to make or obtain copies, at a reasonable expense, if any, of the Association member. The Association may adapt reasonable rules regarding the time, location, notice and manner of record inspections and copying. The failure or an Association to provide official records to a Unit Owner or his authorized representative within ten (10) working days after receipt of a written request therefore shall create a rebuttable presumption that The Association willfully failed to comply with this paragraph. Failure to permit inspection of the Association records as provided herein entitles any person prevailing in an enforcement action to recover reasonable attorneys' fees from the person in control of the records who, directly or indirectly knowingly denies access to the records for inspection. The Association shall maintain on the Condominium Property an adequate number of copies of the Declaration, Articles, By-laws and rules, and all amendments to the foregoing, as well as The Question and Answer Sheet and year-end financial information required by the Act, to ensure their availability to Unit Owners and prospective purchasers. 18. Provision Information to Purchase or Lien holders. The Association or its authorized agent shall not be required to provide a prospective purchaser or lien holder with information about the Condominium or the Association other than information or documents required by the Act to be made available or disclosed. The Association or its authorized agent shall be entitled to charge a reasonable fee to the prospective purchaser, lien holder, or the current Unit Owner for its time in providing good faith responses to requests for information by or on behalf of a prospective purchaser or lien holder, other than that required by law, provided that such fee shall not exceed \$150.00 plus the reasonable cost of photocopying and any attorney's fees incurred by the Association in connection with the Association's response.
19. Electronic Transmission. For purposes hereof "electronic transmission" means any form of communication, not directly involving the physical transmission or transfer of paper, which creates a record that may be retained, retrieved, and reviewed by a recipient thereof and which may be directly reproduced in a comprehensible and legible paper form by such recipient through an automated process. Examples of electronic transmission include but are not limited to, telegrams, facsimile transmissions of images, and text that is sent via electronic mail between computers. Notwithstanding the provision for electronic transmission of notices by the Association, it may only be sent to Unit Owners that consent to receipt of Association notices by electronic transmission (and only for long as such consent remains in effect). Further, in no event may electronic transmission be used as a method of giving notice of a meeting called in which or in part regarding the recall of a Director.

21. Captions. The captions herein are inserted only as a matter of convenience and for reference, and in no way define or limit the scope of these By-laws or the intent of any provision hereof.
